- * শ্ৰী মতী ৰেখা বাণী দাস বড়ো (ভৈঃ জঃ ও পিঃ কল্যাণ মন্ত্ৰী) : টকাতো বেচিয়ো অনুপাতে ভাগকৰি দিয়াত আপত্তি নাই কিন্তু টকাতো কমকৈ দিয়াৰ কাৰণে কিছুমান আচনি বাদ পৰি গৈছে। কিন্তু টকাতো এতিয়াও কেন্দ্ৰৰ পৰা আহি পোৱা নাই।

- * শ্ৰী দিলীপ কুমাৰ শইকীয়া : কেন্দ্ৰৰ পৰা টকাতো আহিবলৈ দিয়ক তাৰ পাচত বেচিয়ো হিচাবে সকলো আই, টি, ডি, পিৰ মাজ সমানে ভগাই দিয়া হওক।

Mr. Speaker : Starred Questions No. 22 Hon'ble member Dr. Ardhendu Kumar Dey, Hon'ble Chief Minister is to reply:

Re : Secret Killers.

Dr. Ardhendu Kr. Dey asked :

- * 22 Will the Chief Minister be pleased to state :

(a) How many Civil, Police, C.R.P.F. and Army men were killed during the year 2000?

(Number to be mentioned separately for each cadre).

(b) Is there any Secret killers(?) in the State? If so, who are they?

(c) Why the Hindi speaking persons were killed in the State? What is the motive behind?

Shri Prafulla Kumar Mahanta (Chief Minister) replied :

(a) Total 2291 Persons were killed out of which 421 civilians were killed in the insurgency related violence and ret 1801 civilians were killed in other heinous crimes such as dacoity, murder etc . The number of police personnel, CRPF and Army killed during the year 2000 is 56, 7 and 15 respectively.

(b) All killings are secret as long as the killers are not identified. There is no known gangs of killers except insurgent groups in the State.

(c) To prove its striking power and with calculated design to bring back the security forces in defensive, ULFA has gunned down Hindi speaking Assamese people in the State. Another motive behind these killings was to discredit the present State govt. which is taking a hard line approach to insurgency problem.

Dr. Ardhendu Kumar Dey : Hon'ble Speaker, Sir Hon'ble Chief Minister has answered to my question (a) that total 2291 persons were killed out of which 412 were civilians and 56, and 15 killed, May I know from the Hon'ble Chief Minister whether all these persons were killed by the secret killers?

Shri Prafulla Kumar Mahanta (Chief Minister): Hon'ble Speaker, Sir, all killing are secret as long as killers are not identified.

Dr. Ardhendu Kumar Dey : This is a very alarming answer. May I know from the Hon'ble Chief Minister that why such secret killing are taking place in the State ?

- * **Shri Prafulla Kumar Mahanta (Chief Minister):** Hon'ble Speaker, Sir, enquiry is going on. I have already answered that all killings are secret as long as killers are not identified.
- * **Dr. Ardhendu Kumar Dey :** Sir, in this connection I refer to the Address by the Government of Assam dated 13 th June, 1996. I think when Government makes any speech in the House it is the opinion of the Government. It was clearly mentioned in the address " as possession of illegal arm in the hands of sizeable section of the population been found to be one of the main threats to the life and property of the citizens, the Government have asked all those persons who are in possession of such illegal arms to deposit the same at their near to their nearest police stations within 15 days and the Government have warned those, who do not deposit their illegal arms, of stern action as per law". May I know from the Hon'ble Chief Minister that whether that action was taken by the Government subsequently?
- * **Shri Prafulla Kumar Mahanta(Chief Minister) :** Yes, Sir action was taken
- * **Shri Ardhendu Kumar Dey :** it is not true because we find that illegal arms are in possession with so many persons within the State. Also in this connection may I know from the Chief Minister whether some extremists in the name of Assam Tiger force claimed the responsibility of killing Hindi Speaking people in Assam? Also may I know whether there is any existence of Assam Tiger Force in the State? Also may I know from the Chief Minister whether it is fact that in the name of Assam Tiger Force there was any fax message sent from an important news paper office within Guwahati city?

* **Shri Prafulla Kumar Mahanta (Chief Minister)** : Sir, for this separate question is required.

* **Dr. Ardhendu Kumar Dey** : Sir, it is a clear-cut deviation. Hon'ble chief Minister is supposed to know wheter there was any fax message from an important news paper office as he is also the Home Minister Position.

* **Shri Prafulla Kumar Mahanta (Chief Minister)** : I am not deviating from my answar. He has deviated from the original question.

* **Dr. Ardhendu Kumar Dey** : Hon'ble Ministers expressing the fact.

* **Shri Prafulla Kumar Mahanta (Chief Minister)** : It is no the Procedure of the House to deviate from the original question/

* **Dr. Ardhendu Kumar Dey** : Sir, Please give your ruling whether may question is very much related for not.

Mr. Speaker : Question No. 23 Questioner Shri Deleswar Tanti.

Re : Police Out Post at Philbari.

Shri Dileswar Tanti asked :

* 23 Will the Chief Minister be pleased to state :

(a) Whether the Government is aware that the Police Out Post philbari which burnt down by extremists some months back has not been restored as yet?

(b) Whether the Government will restore the same immediately in view of the panicky situations prevailing in the locality areas because of the recent killing at Kokrajhar area in Doom constituency ?

Shri Prafulla Kumar Mahanta (Chief Minister) replied :

(a) Yes.

*Speech not corrected

(b) A detailed report from S.P. Tinsukia District is called for establishing a fullfledged Out Post there. Govt. will examine when the proposal is received.

* শ্রী দিলেশ্বৰ তাতী : মাননীয় অধ্যক্ষ মহোদয়, মাননীয় মুখ্যমন্ত্রী মহোদয়ে কৈছে যে আজি কেইমাহ মান আগতে ফিলোবাৰী পুলিচ আউট পোষ্টটো উন্নয়নৰ্থীয়ে জ্বলাই দিছিল আৰু এতিয়া এচ, পি তিনিচুকীয়াত দিটেইলত ৰিপোর্ট সুধি পঠোৱা হৈছে যাতে তাত এটা আউট পোষ্ট গঠন কৰিব পাৰি; সেই ৰিপোর্ট আহিলে পৰীক্ষা কৰি ব্যৱস্থা লোৱা হব। কিন্তু আজি ৬ মাহ হৈ গ'ল এই ৰিপোর্ট কেতিয়া আহিব আৰু পৰীক্ষা কৰি ব্যৱস্থা লওতে বহুত পলম হব। সেই কাৰণে আগন্তুক নিৰ্বাচনৰ আগে আগে ব্যৱস্থা লব বুলি প্রতিশ্ৰুতি দিব নেকি ?

* শ্রীপ্ৰফুল্ল কুমাৰ মহন্ত (মুখ্যমন্ত্রী) : মাননীয় অধ্যক্ষ মহোদয়, ফিলোবাৰী পুলিচ আউট পোষ্টটো আচলতে আনচেংশনদ আউট পোষ্ট। এনেকুৱা ধৰণৰ বহুত দাবী আৰু এইটো বিভিন্ন পৰিষ্কাৰৰ ওপৰত নিৰ্ভৰ কৰিব। আমি প্ৰায়বিটি বেচিচত এইটো চাম।

Mr. Speaker : Starred Question No. 25 Questioner Shri Silvius Condpan, Hon'ble Chief Minister is to reply.

Re: People Killed by Extremist.

Shri Silvius Condpan asked :

*25 Will the Chief Minister be pleased to state:

- How many people were killed in Assam by the extremist from April, 2000 to January, 2001?
- How many security personnel were killed while carrying out anti insurgency operation from April, 2000 to January, 2001?
- Numbers of extremist arrested within the said period may kindly be furnished?

Shri Prafulla Kumar Mahanta (Chief Minister) replied:

(a) 418 persons (Civilians) killed by the various extremist organisations from April, 2000 to January, 2001.

(b) 54 police/ SF personnel were killed while carrying out anti-insurgency operations in the State.

(c) 1193 extremists of different groups were arrested during the said period.

* **Shri Silvius Condpan :** Mr. Speaker Sir, Now the Secret killing by the extremists has become the Problem of the State. Everyone is Concerned with this Problem. However reply given by Hon'ble C.M. appears to be very very disappointing. Hon'ble Speaker, U-re-fleels the failure of the State Government, Specially the Home Department to curve the extremists killing on the innocent people in the name of protect the and property of the innocent people?

* শ্রী প্রফুল্ল কুমাৰ মহন্ত (মুখ্যমন্ত্রী) : মাননীয় অধ্যক্ষ মহোদয়, মাননীয় সদস্য গৰাকীয়ে সোধা প্ৰশ্নৰ উত্তৰ সদনত বখা হৈছে।

* **Shri Silvius Condpan :** This is very very disappointing answers. This in to a qualified answer. It is very unfortunate. People will not like this. This is a very unqualified and unexpected answers form the Home Department regarding the security of the State. It is reflected in utter failure of the Government. Sir, I want to ask the Hon'ble Chief Minister why your administration has failed at least to identify these extremists. May I know now who are the secret Killers ? If you give a better result then the people will take that we have failed but you have succeeded. But this is not coming from your side. Will the Chief Minister clarify that they are in Governmentance, they must answer.

*Speech not corrected

They are telling the past. They are in the ruling party for last 4 to 5 years. Still they are telling that they have inherited from us.

- * শ্ৰীপ্ৰফুল্ল কুমাৰ মহন্ত (মুখ্য মন্ত্ৰী) : মাননীয় অধ্যক্ষ মহোদয়, আমি সহায় কৰিবলৈ আগবাঢ়িছো। কিন্তু ইনহেৰিটেট হিচাবে এইটো তেওঁলোকৰ পৰাই পোৱা গৈছে।
- * **Shri Silvius Condpan** : We are not going to have the details. It is your confidential thing. Please give us the impression that you are active and you are doing something for the good of the people.
- * শ্ৰী প্ৰফুল্ল কুমাৰ মহন্ত (মুখ্যমন্ত্ৰী) : মাননীয় অধ্যক্ষ ডাঙৰীয়া, মই আগতেই কৈছে এতিয়া আমাৰ চৰকাৰৰ ফালৰ পৰা পৰিস্থিতি উন্নত কৰাৰ কাৰণে সকলো প্ৰকাৰৰ প্ৰচেষ্টা আৰম্ভ কৰা হৈছে। এতিয়া পৰিস্থিতি যথেষ্ট উন্নত হৈছে। অধ্যক্ষ মহোদয়, আপুনি জানে যে ১৯৯৬ ৰ পৰা অসমৰ পৰিস্থিতি যথেষ্ট উন্নত হৈছে। পৰেশ বৰুৱাৰ ভায়েক দিনেশ বৰুৱাক কাৰ দিনত হত্যা কৰা হৈছিল, বিমল ভূঞাক কাৰ দিনত হত্যা হৈছিল? কংগ্ৰেছ চৰকাৰৰ দিনতেই অধিক হত্যা হৈছিল।
(কেইবাজনো মাননীয় সদস্যই একেলগে কবলৈ ঠিয় হোৱাত সদনত ছুলছুল)
- * শ্ৰীচিল ভিউছ কন্দপান : কংগ্ৰেছ গভৰ্ণমেণ্ট ফেইল কৰা কাৰণে অসমৰ জনসাধাৰণে তেতিয়া বেলেগ ব্যৱস্থা ললে। সেই পদ্ধতি আপোনাকে ললে ব্যৰ্থতাৰ কাৰণে অসমৰ জন সাধাৰণে আপোনালোকক কেতিয়াও ক্ষমা নকৰিব। আজি জন সাধাৰণে এনেকুৱা ধৰণৰ উত্তৰ নিবিচাৰে। আজি যদি মাননীয় মুখ্যমন্ত্ৰী মহোদয়ে ৫/১০ টা আইডেনটিফাই কৰা বুলি কলেহেতেন তেতিয়া হলে আমি শান্ত হলোহেতেন। একেবাৰে নিল।
চিক্ৰেট কিলাৰ কোন?
- * শ্ৰী ভৰত চন্দ্ৰ নৰহ : মাননীয় অধ্যক্ষ মহোদয়, চিক্ৰেট কিলাৰ কোন আৰু তেনেকুৱা চিক্ৰেট কিলাৰ কিমান আইডেনটিফাই কৰা হৈছে। আজি চাৰে চাৰি বছৰে চৰকাৰে কিমান জন চিক্ৰেট কিলাৰ আইডেনটিফাই কৰিছে আৰু যদি কৰিব পৰা নাই কিয় পৰা নাই মাননীয় মুখ্যমন্ত্ৰী মহোদয়ে জনাব লাগে।

- * শ্রী প্রফুল্ল কুমার মহন্ত (মুখ্যমন্ত্রী) : মাননীয় অধ্যক্ষ মহোদয় ডাঙৰীয়া, আইডেনটি ফাই কৰা হৈছে, কেচ চলি আছে। স্পেচিফিক কুৰেচন হলে উত্তৰ দিব পৰা যাব। এল,টি,টি জন্ম কোনে দিছিল? ডিম্বৰালৈৰ জন্ম কোনে দিছিল?
- * শ্রী ভবত চন্দ্ৰ নৰহ : মাননীয় অধ্যক্ষ মহোদয়, প্রত্যেক বছৰে মাননীয় মুখ্যমন্ত্রী মহোদয়ে এই কথা বিলাক কৈ থাকে। ৰাজ্য পালৰ ভাষণৰ ওপৰত হোৱা বিতৰ্কৰ উত্তৰ বা অন্যান্য প্রতিটো ক্ষেত্ৰতেই তেওঁ সেই একেখন ৰেকৰ্ডকেই বজাই থাকে।
(সদনত কেইবাজনো মাননীয় সদস্যই একেলগে কবলৈ ঠিয় হোৱাত ছলস্থল)
- * শ্রী প্রফুল্ল কুমার মহন্ত (মুখ্যমন্ত্রী) মাননীয় অধ্যক্ষ ডাঙৰীয়া, সদনে যদি বিচাৰে আপোনাৰ কাৰ সগত ভাল মই কৈ দিব পাৰো।
- * শ্রী ভবত চন্দ্ৰ নৰহ : মাননীয় অধ্যক্ষ মহোদয়, মই চেলেঞ্জ কৰিছো মাননীয় মুখ্যমন্ত্রীৰ লগত যদি কিবা তথ্যপাতি আছে তেন্তে কৈ দিয়ক। তাৰ উত্তৰ দিবলৈ মই ৰেডি আছে।

Mr. Speaker : Starred Question No. 26

Re: Fire Service Station at Ramkrishna Nagar

Shri Sambhu Sing Mallah asked :

***26. Will the Chief Minister be pleased to State:**

(a) Is it fact that there is a proposal placed by the Director, State Fire Service Organisation to the Govt. vide his letter No. F/G 184/ Vol- V/ 99/ 793 dt.23 1.99 for setting up a regular fire Service Station at Ramkrishna Nagar in Karimganj district, but due to nonavailability of fund Government could not take any tangible steps?

(b) If so, will the Government arrange to submit a proposal with cost appraisal report through the Director, P& D to the Ministry of Home Affairs, Government of India, to Sanction of necessary fund from the Non- Lapsable pool of Central resources to upgrade the Ad-hoc fire Service Station of Ramkrishna Nagar to regular Station?

(c) Whether Home Department will take up the matter immediately with the Director, Govt, of Assam , P& D for an early action?

Shri Prafulla Kr. Mahanta (Chief Minister) replied :

(a) Yes.

(b) As per the guidelines of the planning Commission this proposal cannot be included in the projects for sanction from the Non- Lapsable pool of Central resources.

(c) Does not arise.

* শ্ৰী শম্ভু সিং মাল্লা : মাননীয় অধ্যক্ষ মহোদয়, এইটো এটা লং পেগডিং বিষয় বামকৃষ্ণ নগৰত এটা ৰেণ্ডলাৰ ফায়াৰ চাৰ্ভিচ ষ্টেচন স্থাপন কৰা। মুখ্যমন্ত্ৰীৰ লগত আলোচনা কৰি নিজৰ ফাণ্ডৰ ৬ লাখ টকা দি গাড়ি ৰাখিবৰ কাৰণে চেট বলাই দিয়া হৈছে। মাননীয় মুখ্যমন্ত্ৰীয়ে উত্তৰত কৈছে যে প্লেনিং কমিচনৰ গাইড লাইন-মতে এই প্ৰস্তাৱটো গ্ৰহণ কৰিব পৰা নাযায়। এতিয়া মই মুখ্যমন্ত্ৰীৰ পৰা জানিব বিচাৰিছো কিমান দিনৰ ভিতৰত ফায়াৰ ষ্টেচনটো হব।

* শ্ৰী প্ৰফুল্ল কুমাৰ মহন্ত (মুখ্যমন্ত্ৰী) : মাননীয় অধ্যক্ষ মহোদয়— The Director, fire Service has submitted a proposal for opening up an AD- hoc Fire Service Station at Ramkrishna Nagar temporary at the Campus of Ramkrishna Nagar Police Station for functioning till an alternative arrangement made. The matter is under process. At present 63 Nos. of proposals are pending with Govt. for setting up of new Fire Service Stations through out the State. But the same could not be done due to paucity of fund at present. In order to open anew fire Service Station Rs. 29,46,789/-as recurring expenditure and Rs. 34,72,724/- as non-recurring expenditure is required .

* শ্ৰী শম্ভু সিং মাল্লা: অধ্যক্ষ মহোদয়, মই মাননীয় মুখ্যমন্ত্ৰীৰ পৰা জানিব বিচাৰিছো ৩১ মাৰ্চৰ ভিতৰত হব নে নহয়।

*Speech not corrected

* শ্রী প্রফুল্ল কুমাৰ মহন্ত (মুখ্যমন্ত্রী) অধ্যক্ষ ডাঙৰীয়া, যদি আমি টকা-পইচা পাও তেতিয়া হলে হব। কাৰণ এটা নতুন ফায়াৰ ষ্টেচন খুলিবলৈ ৪৪,৭৮০ টকা লাগে। গতিকে আমাৰ প্ৰপোজেল দিয়া আছে। চেংচন হলে কৰিব পৰা হব।

**Shri Abu Saleh Najmuddin : May I know form the Hon'ble Minister
(Mr. Speaker, interrupted)**

* শ্ৰী প্ৰফুল্ল কুমাৰ মহন্ত (মুখ্য মন্ত্ৰী) : অধ্যক্ষ ডাঙৰীয়া, এইটো কথা কোৱা হোৱা নাই।

*Speech not corrected

- * **Shri Abu Saleh Najmuddin** : My question is that whether the list was approved by the DGP. Will the Hon'ble Chief Minister place the list on the table of the House today or tommorrow?
- * **Dr. Ardhendu Kumar Dey** : The Director General of police should not approve it. But whether it is the policy of the present Government to approve the list of Constable has to approve by the DGP ?
- * **Shri Prafulla Kr. Mahanta (Chief Minister)** : I am very sorry, regarding appointment of Constable, the approval of the DGP is not necessary.

Mr. Speaker : Now the Starred Question No . 29, the Hon'ble Chief Minister is to reply:

Re: Salary of Teahchers.

Shri Derhagra Mochahary asked :

- * 29 Will the Chief Minister be pleased to state.

Whether any decision is there to Treasury Officer, Nalbari that monthly salary of Tamulpur Constituency teachers should not be given ?

Shri Prafulla Kumar Mahanta (Chief Minister) replied :

No. Sir.

- * **শ্রী দেবহাথা মুচাহাৰী** : মাননীয় অধ্যক্ষ মহোদয়, মাননীয় মই মুখ্যমন্ত্ৰী মহোদয়ৰ পৰা জানিবলৈ বিচাৰিছো যে আমাৰ তামোল পুৰৰ ট্ৰেজাৰীত ঠিকমতে পইচা বিলাক নাযায় আৰু সেইকাৰণে সময়তে দৰমহা দিব নোৱাৰে। আমাৰ শিক্ষকসকলে দৰমহা ঠিকমতে নাপায়। মই এইটো কবলৈ বিচাৰিছো যে অন্য বিলাক সমষ্টিৰ টেজাৰী অফিচত দৰমহা লোনাৰ পিচতহে আমাৰ তামোলপুৰৰ ট্ৰেজাৰীলৈ পইচা যায়। এইটো দেবি হোৱাৰ কাৰণে কৰ্মচাৰী সকলে দৰমহা নেপায়। এইটো কথা আচলতে ঠিক হোৱা নাই। মই মাননীয় অধ্যক্ষ মহোদয়ৰ জৰিয়তে মাননীয় মুখ্যমন্ত্ৰী মহোদয়ক অনুৰোধ কৰিবলৈ বিচাৰিছো যে ভৱিষ্যতে যাতে এনে ধৰণৰ নহয় তাৰ যতন লব লাগে।

Re: Criminal cases of murder.

* 31 Will the Chief Minister of Assam, Home Affairs be pleased to state:

(a) Is it a fact that Govt. vide letter of Deputy Secretary to the Govt. of Assam, Political(A) Department, Dispur being NO. PLA,421/94/127 dt. 12.3.97 directed public Prosecutor, Hailakandi to withdraw five Criminal Cases of murder, loot, arson etc. being Hailakandi P.S. case Nos 702 of 90 713 of 90.820 of 90, 703 of 90 and 785 of 1990 in which several Hindi speaking persons were brutally murdered and one Moharaj Goala was thrown alive in the fire?

(b) Is it a fact that because of the Govt.'s direction the Hon'ble Session Judge, Hailakandi had to allow withdrawal on. 4.12.2000 and the peace loving law abiding people are seriously aggrieved and demoralised & three incidents of decoties occurred three in the following week ?

(c) Is it a fact that Govt. has not provided adequate financial assistance to the victims family.

Shri Prafulla Kumar Mahanta (Chief Minister) replied :

(a) It is not a fact that Government directed the public Prosecutor Hailakandi to withdraw the criminal cases. However the Govt. vide said letter directed the Deputy Commissioner, Hailakandi to request the public prosecutor Hailakandi to file a petition under section 321 Crpc for obtaining a consent of the court for withdrawal of the criminal case.

(b) It is not a fact.

(c) Financial assistance as gratuitous relief @ Rs. 5000/- were provided by Deputy Commissioner Hailakandi to each deceased families and 5 victim families alongwith 10 pieces of

C.I. Sheet for construction of house while Rs. 500/= to Rs. 2000/- was paid to the looted families and injured persons along with 10 pieces of C.I. sheets depending on the extent of loss.

* **Shri Bimolangshu Roy** : Hon'ble Speaker Sir, I have seen the reply of the Hon'ble Chief Minister . It is very unfortunate that on 07.11.1990 a group of anti-social people numbering 150 to 200 attacked a village in Hailakandi district where a large number of Hindi speaking goala people were living. They attacked the village with deadly weapons like fire-arms and killed five persons on the spot. They looted the entire property of the villagers, set the house of fire and thrown to people in the fire, whereby these people were killed instantly. This was a very very sensational case and heinous crime. Five cases were registered out of this incident but unfortunately our Govt. has decided to withdraw the case and directed the public Prosecutor to move accordingly and the Learned Session Judge had no other alternative but to withdraw the case. Finding no other alternative those aggrieved filed a petition against the decision of the Public Prosecutor, but the Learned Session Judge in his order has stated that although the Public Prosecutor at although filed a petition under Section 321 C.R.P.C. but subsequently moved for withdrawal of the criminal case and the aggrieved person had filled an appeal before the Hon'ble High Court. Whether the Hon'ble Chief Minister will reconsider the cases considering the sentiments of the poor Hindi speaking Goala people.

* **Shri Prafulla Kumar Mahanta** (Chief Minister) : The Communal riot that took place at Hailakandi way back on 16.11.90 in connection with assault at a stray bull by some Muslim people had led to mob violence in the Town resulting

in several incidents of arson, looting and even death of 2(two) persons including injury sustained by 11 persons. The police registered several cases against the guilty persons in this connection and started investigation accordingly. Consequently several persons were prosecuted. While some criminals cases registered by police ended in final report, some cases were dismissed after trial and some cases were dropped and rest of the cases were amicably settled between the communities. After a lapse of 6 (six) years, Govt. in the political Department directed the Deputy Commissioner, Hailakandi vide letter No. PLA.421/94/127 dated 12.3.97 to request the public Prosecutor to file a petition under Section 321 Cr. P.C. for obtaining consent of the Court for withdrawal of the Criminal cases registered by Hailakandi police on several considerations. The most important consideration was that there was no possibility of conviction of the accused after their trial as the prosecution cases was not well founded due to lack of sufficient evidences. Apart from it, it was found that almost 6 years have already elapsed since the occurrence and during this period a congenial atmosphere has developed and peace and tranquility have been restored amongst the rival communities and if the prosecution case is continued there is every likelihood of breach of prevailing congenial atmosphere and breaking out of enmity between the two communities, which may cause serious repercussion in the society. Hence for the proper administration of justice it was considered expedient and necessary to allow both the communities to live peacefully for better interest of the society as well as in the larger interest .

of the State: The Govt. decision to file an application under relevant provision of law for obtaining consent of the court to withdraw from the prosecution in the case in question was based on the over-whelming need to sustain the atmosphere of goodwill in the society and among different communities and not on any extrenous consideration.

It is not a fact that 3 (three) nos of dacoity were committed after the withdrawal of the case in the locality. There was also no report of any disturbance of peace in the locality received from the District Administration so far.

* **Shri Bimolagshu Roy** : Hon'ble Speaker Sir, so far I know there was no compromise, of the cases and had there been any compromise this would not have come up for discussion. Further, from the reply of the Chief Minister it appears that an amount of Rs. 5,000/- were given to the kitch and kin, of the people , who lost their life and this amount is not at all sufficient. So, Whether the Chief Minister will consider for giving proper compensation and also an amount of Rs.1,00,000/- each to the victims.

* শ্রীপ্রফুল্ল কুমাৰ মহন্ত (মুখ্যমন্ত্ৰী) : মাননীয় অধ্যক্ষ ডাঙৰীয়া ,এই বিষয়ে অলপতে ৰিপ্ৰেজেনটেশ্বন পোৱা গৈছে। কেনেকৈ ব্যৱস্থা কৰিব পাৰি এইটো চোৱা হব।

PRESENTATION OF BUDGET

Shri Prafulla Kurmar Mahanta (Chief Minister) : Mr. Speaker Sir,

I rise to present the statement of the estimated receipts and expenditures of the Government of Assam for the financial year 2001-2002.

2. As the Hon'ble Members are aware, this is the last budget that present Government. Which assumed office on May 15, 1996, is presenting. I take this opportunity to extend my best wishes to all of you and to thank you for your help and co-operation .

3. Hon'ble Members may recall that this Government assumed charge at the time when the law and order situation was a cause for great concern and the State was beset with the grave problems of insurgency, terrorism and ethnic violence, apart from devastating floods. All these events had a deleterious effect on the State Finances. The law and order situation in the State has now improved considerably, largely due to the determined and unrelenting efforts of the Government and the whole hearted support and cooperation of the public. The economy is now showing encouraging signs of growth, which has enabled the Government to give increased emphasis to welfare and developmental activities in the State despite its financial constraints.

4. Before I turn to the budget proposals I take this opportunity to briefly apprise the Hon'ble Members about the state of the economy and the performance of some selected sectors.

State Economy :

5. The economy of the State witnessed a spurt in growth in 1999-2000 after a dismal performance in 1998-99, thanks largely to a breakthrough in the agricultural sector. The Net State Domestic Product (NSDP) for the year 1999-2000 (quick estimate) is estimated to be Rs. 25,050.96 crores at current prices and Rs. 15,554.71 Crores at constant (1993-94) prices. This represents an impressive increase of 15.99 percent at current prices and 8.19 percent at constant (1993-94) prices over 1998-99. In this connection, it may be mentioned that in 1998-99, the NSDP at current prices increased by 6.86 percent, but at constant (1993-94) prices it registered a decline of 2.22 percent over 1997-98.

6. This increase during 1999-2000 is indeed significant,

though it was achieved after a year of negative growth. Also, much of the increase at the aggregate level can be attributed to the performance of just one sector, viz, agriculture. The challenge is therefore to sustain the high rate of growth in the coming years and also to ensure that other sectors of the economy start contributing significantly to economic growth. That Assam has still a long way to go can be gauged from the fact that the per capita NSDP for 1999-2000 is estimated to be Rs. 9,612 at current prices and Rs. 5,968 at constant prices. This is much lower than the per capita Net National Product of Rs. 15,841 at current prices and Rs. 10,151 at constant prices during the same year.

7. The Primary sector continues to dominate the State's economy accounting for as much as 46 percent of total NSDP at current as well as constant prices during 1999-2000 (quick estimate). The corresponding shares of the secondary and tertiary sectors are 14 percent and 40 percent respectively.

Prices :

8. The average Consumer Price Index (CPI) (Base 1982=100) for working class population showed a rise of 3.2 percent during the first six months of 2000, i.e. from January 2000 to June 2000, over the corresponding period of 1999. The annual average of CPI for working class population rose by 7.7 percent in 1999 over 1998. On a point to point basis CPI for working class population recorded a marginal increase of 1.7 percent in September 2000 over the corresponding month of the previous year. On the other hand, the annual average Wholesale Price Index (WPI) (1993-94=100) for agricultural commodities increased by 15.4 percent during 1999-2000 over the previous year.

9. Retail Prices of some essential commodities recorded an increase in varying degrees in September 2000 over September 1999. While the prices of kerosene oil increased by as much as 57 percent, some other commodities like gram dal (3 percent), small fish (19 percent), goat meat (11 percent), milk (10 percent), and sugar (2 percent) recorded a moderate increase in prices. However, the prices of commodities like rice (-8 percent), atta (-6 percent), moong dal (-2 percent), arahar dal (-14 percent), potatoes (-5 percent), onion (-13 percent), vanaspati (-16 percent), mustard oil (-12 percent) and salt (-3 percent) declined during this period.

Demography :

10. According to the projection of the Registrar General of India, the population of Assam increased to 26.4 million as on October 1, 2000 from 22.4 million as per the 1991 census. The population in the State grew by 24.2 percent during the decade 1981-91 as compared to 23.9 percent for the country as a whole. The density of population in this State as per the 1991 census, estimated at 286 persons per sq. km. was also higher than the national average of 273 persons per sq. km. On the other hand, the urban population of Assam according to the 1991 census was 11.1 percent as against 26.1 percent for the nation. The literacy rate of the State was 52.89 percent which was marginally higher than the all India average of 52.1 percent.

Employment :

11. The State Government is deeply concerned about the continuing problem of unemployment and has been according the highest priority to the creation of employment opportunities to absorb the vast army of unemployed youths. The problem is being sought to be tackled by adopting a multi pronged strategy to foster economic development, promote private and

public investment and restore peace and normalcy in the State. It is encouraging to note that as per the live register of employment exchanges, the number of job seekers declined from 16,24,021 at the end of June 1999 to 16,18,210 in June 2000. The number of educated applicants remaining on the live register of employment exchanges at the end of September 2000 was 11,93,135.

12. Considering the alarming unemployment problem, the Government has approved the scheme "Chief Minister Swa-Niyojan Yojana" for providing self employment to the educated unemployed youths over a two year period. Some viable schemes in the fisheries, animal husbandry, dairy, handloom & textiles, industries and commerce sectors have been formulated. Total financial involvement is expected to be Rs. 161.79 crores of which the loan component is Rs. 91.43 crores. The balance amount of Rs. 70.36 crores will be provided by the Government as margin money grants. The amount of margin money for the current year is Rs. 35.25 crores I am glad to inform the House that the Planning Commission has agreed to provide Additional Central Assistance amounting to Rs. 30 crores for the current year for the implementation of the scheme.

Annual Plan :

13. The State Annual Plan for the year 2000-2001 which was originally approved at Rs. 1520 crores was subsequently raised to Rs. 1750 crores. Out of Rs 1750 crores, Rs.163.03 crores is for Hill Areas. The balance amount of Rs. 1586.97 crores is for General Areas which includes allocations of Rs. 172.31 crores under the Externally Aided Projects (EAP) and Rs. 104.31 crores under the Eleventh Finance Commission (EFC) Award. Out of the General Areas Plan allocation,

amounts earmarked for Tribal Sub Plan (TSP) and Scheduled Caste Component Plan (SCCP) are Rs. 136.54 crores and Rs. 91.23 crores respectively. The Government of India has replaced the existing Basic Minimum Services (BMS) by PMGY, an entirely rural based programme covering health, elementary education, shelter, drinking water, nutrition and rural roads . The Central share for the current year is Rs. 254.57 crores which is 35 percent higher than last year's Central Assistance for BMS.

14. During the year 2000-2001, an amount of Rs. 69-13 crores has been allocated, covering 39 sectors/sub-sectors, to Decentralised Planning in the plains districts of the State. The amount is expected to be fully utilised in the current year. As the size of the Annual Plan 2001. 2002 has, not yet been finalised by the Planning Commission, the provision for Plan outlay in the Budget estimates for the year 2001-2002 has been made by retaining the sectorial outlays for 2001-2002 at the current year's level. The sectorial outlay will be revised after the size of the Annual Plan is finalised by the Planning Commission.

15. An amount of Rs. 27.32 crores has been provided under Annual Plan 2000-01 for MLAs' Area Development Programme and Untied Funds. The entire amount is expected to be utilised during the year 2000-01. As regards the Non Lapsable Central Pool of Resources, the Government of India has released Rs. 37.35 crores and Rs. 40.40 crores respectively during the years 1999-2000 and 2000-2001.

Education :

16. As in the previous years, the State Government will continue to accord high priority to this sector during the next financial year. Under elementary education, steps have been

taken for the consolidation and strengthening of schools with the objective of increasing enrolment and curtailing drop-outs. The scheme for the supply of text books at 50 percent subsidised rates to students of lower primary schools is proposed to be continued during 2001-2002. Attendance and special scholarship to ST/SC students @Rs. 100.00 and Rs.300.00 per annum respectively will continue to be given to 26,000 students. The scheme for Sarba Siksha Abhijan is proposed to be implemented in Dhemaji, Karimganj, Tinsukia, and Nalbari districts in the first phase. The District Primary Education Programme, an Externally Aided Project, which was initially started in four districts of Assam, viz, Darrang, Morigaon, Dhubri and Karbi Anglong in 1994-95 and was subsequently extended to the districts of Barpeta, Bongaigaon, Goalpara, Kokrajhar and Sonitpur in 1997-98, is presently under implementation. The principal objective of the Programme is to provide 100 percent access to schooling facilities to all children in the age group 6 to 11 years, enrolment and retention of all children in schools and reduction in drop outs. Till date, the Government of India has released Rs. 157.87 crores as Central share while the Government of Assam has released Rs. 20.57 crores as State share to DPEP. The Eleventh Finance Commission (EFC) has awarded a sum of Rs. 10.00 crores as Upgradation Grants for the construction of school buildings, provision of toilets and drinking water facilities over the period 2000-05. In the area of secondary education, the EFC has awarded Rs. 9.89 crores for computer training of school children over the period 2000-05. In order to strengthen and upgrade the network of public libraries in the State, the EFC has recommended Rs. 5.60 crores for the purchase of books and periodicals. With a view to achieving total literacy throughout the country, the strategy of adult education programme

has been changed from the traditional centre based approach to a campaign based approach under the Total Literacy Campaign (TLC) programme. In Assam, the TLC has been taken up in 22 districts. You will be happy to hear that as a result of the State Government's efforts, the literacy percentage of the State has increased to 79 percent as per the 54th Round NSSCO, against the all India average of 62 percent.

17. Hon'ble Members are all aware that the Government is committed to the protection, preservation and promotion of the rich cultural heritage of the State. The Government and the public had been seeking recognition of the Sattriya Dance as one of the major dance forms of India at par with dances like Bharat Natyam, Kathak and Odissi. As a culmination of these efforts, the Sangeet Natak Academy finally accorded recognition on November 15, 2000. Another notable development has been the completion of the construction of Kala Guru Bishnu Prasad Rabha Re-recording Theatre by the Jyoti Chitrabhan (Film Studio) Society during the current year with funds sanctioned by the Government of India under Clause VI of the Assam Accord. With a view to providing full and unstained support to the development of the regional film industry in the State, the State Government has decided to amend the Assam Film Policy 1992 and the Assam Film Policy Rules, 1994. Under the new dispensation, Amusement Tax collected during first two years of the commercial release of a regional film will be refunded in full without any limit. It would also be worthwhile mentioning that the prestigious Srimanta Sankardeva Award will be given to Sri Kelucharan Mahapatra, Dr. Bhabendra Nath Saikia, Ustad Amjad Ali Khan and Sri Sonaram Chutia for the years 1997, 1998, 1999 and 2000. The awards are likely to be given away by his Excellency the President of India in March 2001 at Guwahati.

18. Acknowledging the need to improve the facilities for Sports and Youth Welfare, the EFC has awarded Rs. 10 crores as Grants for Special Problems for the establishment of a Regional Athletics Centre, a Regional Indoor Games Centre, a Regional Adventure Academy for mountaineering and adventures sports, and a Regional Academy for Water Sports.

Health & Family Welfare :

19. The State Government has achieved commendable improvement in health care and delivery systems in the past few years. In order to improve infrastructure in the health sector, steps have been initiated to complete 20 thirty bedded rural hospitals and 34 primary health centres which have remained incomplete since long due to resource constraints. Many CHCs and PHCs have been repaired and renovated and provided with drinking water and toilet facilities. Under the Externally Aided Project (EAP) IPP-IX, 800 sub-centres have been completed and opened to the public. With a view to providing the people living in remote inaccessible areas with better health services, jeeps and ambulances have been provided to many districts. Provision for mobile dispensary and boat clinics have been made in some places. Hospital Management Committees have been constituted in the district level and sub-divisional level hospitals to improve the management of hospitals, oversee the development of infrastructure, and to provide a mechanism for looking into public grievances. You will be glad to know that the EFC has provided Rs. 18 crores as Grant over the period 2000-05 for the establishment of six Regional Diagnostic Centres in the State.

20. In the sphere of medical education, steps are being taken to improve infrastructure, diagnostic and treatment facilities. An emergency ward is being created in Guwahati

Medical College with an intensive care unit, with assistance from Non Lapsable pool of Central Resources. Other projects like scheme for water supply to Gauhati Medical College, sewage treatment plant and two hostel buildings with a capacity to accommodate 400 students are presently under construction. In the Assam Medical College, Dibrugarh, construction of the TB and Respiratory Disease Centre and Regional Institute of Communicable Disease are under progress. An ambitious project for the construction of paying cabins in each of the three medical colleges has been taken up. A well equipped 300 bedded hospital and 60 bedded girls hostel is under construction at the Government Ayurvedic College, Jalukbari. A 30 bedded hospital alongwith hostel building is also being constructed at the Jorhat Homeopathic College.

21. Under the family welfare programme, excellent results have been achieved in immunization neo natal care and health care of woman, Immunization under the Pulse Polio Immunization Programme has been successfully undertaken and there have been no polio cases in the last two years.

Drinking Water and Sanitation :

22. The State Government continues to attach great importance to the provision of safe drinking water supply facilities to the 'Not covered' (Nc) habitations followed by the 'partially covered' (PC) habitations. During the tenure of the present government, 9937 NC habitations and 2238 PC habitations have been covered with safe drinking water till 1999-2000. Another 1500 NC habitation and 3000 PC habitation are targetted to be covered during the current year. In the rural sanitation sector, the State has adopted the national policy to implement the sanitation programme by making the rural people aware of the desired standards of hygiene and

contemporary sanitary practices, and undertaking the installation of low cost sanitary latrines among rural families below the poverty level.

Housing and Urban Development

23. Keeping in view the rapid growth of urban population and the increasing pressure on urban infrastructure particularly in Guwahati City, the State Government is undertaking several schemes for the development of infrastructure in the City. The Rs. 95.80 crores Guwahati Metropolitan Area Storm Drainage Improvement Programme is currently under execution with loan assistance from HUDCO and is expected to be completed within two years. The work on two fly over at Ganeshguri Chariali and at Ulubari with loan assistance from HUDCO is also underway. The Ganeshguri fly over is expected to be opened to traffic next month. The augmentation of the Kamakhya Water Supply Scheme with Rs. 3.00 crores Central Assistance is also being taken up.

24. Work on the construction of the multistoried Secretariat building at Dispur was started in the last financial year with funds from Government of India under the award to Tenth Finance Commission. Following prolonged litigation, the work was re-allotted to M/S. Ansal Properties and Industries Ltd. in July 2000. While the Government of India has agreed to extend time for completion of the project to March 2001, the State Government proposes to, keeping in view the longer time frame required for implementation of the project, request the Government of India for further extension of time. The Eleventh Finance Commission has meanwhile awarded Rs. 20.00 crores for the State Capital Project.

25. The Assam Urban Water Supply and Sewerage Board in executing twenty water supply schemes in different towns

of Assam. Out of these, six have been commissioned already benefits to an estimated 1.6 lakh people. Twelve water supply schemes are also being taken up under Centrally Sponsored Urban Water Supply Programme with 50:50 Central and State share with a target population of 2.83 lakh people.

26. As a part of measures to improve its financial position. Guwahati Municipal Corporation has taken up the task of re-assessment of holding tax. Another proposal to revise the rate of trade licenses is presently under process. The Eleventh Finance Commission has awarded a sum of Rs. 21.50 crores over the period 2000-05 a local body grant to supplement the resources of urban local bodies.

Hill Areas :

27. As per the Memorandum of Understanding signed with the Autonomous Councils of the Hill Districts, the budget of the Hill Councils are incorporated in the State Budget after they have been passed by the respective Councils. Due to acute financial constraints, the State Government has been unable to provide the full requirement of funds as passed by the Councils in the State Budget. However, full provision has been made for salary under non plan. In the year 2000-2001, an allocation of Rs. 163.03 crores was made for the Hill plan, out of which Rs. 70.90 crores was provided through Special Central Assistance. Rs. 2.00 crores has been provided for irrigation (AIBP) and Rs.2.56 crores for the Special Employment Scheme. During this year greater emphasis is being laid on the development of horticulture, infrastructure, information technology and environmental protection along with health and water supply.

Welfare of Scheduled Caste/Scheduled Tribes / Other Backward Classes :

28. As in the past, the Government will earnestly endeavour to

promote the welfare of scheduled caste, scheduled tribes and other backward classes including tea and ex-tea garden tribes during 2001-2002. During the current financial year, 8172 scheduled caste families and 9598 scheduled tribe families were economically assisted under the 20 point programme by different development departments and State Government undertakings. Special emphasis is being given to the welfare of these commentaries in matters of health, education, specially education of woman, drinking water facilities and village link roads. In the Budget estimates for 2001-2002, funds have been earmarked under plan for the implementation of development schemes by the Autonomous Councils, namely Bodoland Autonomous Council, Mising Autonomous Council, Rabha Hasong Autonomous Council and Lalung Tiwa Autonomous Council.

Welfare of Minorities :

29. The Welfare of Minorities Development Board is executing several development schemes, including training programmes, for the generation of employment. The Assam Minority Development and Finance Corporation, on the other hand, extends loans to persons of notified minorities. During the current financial year, the Corporation will be giving loans upto Rs. 50,000 to more than 400 beneficiaries. In order to bring about the socio economic development of the people living in char areas, the Directorate of Cahr Areas Development is implementing welfare and self employment schemes in agriculture, veterinary, dairy, drinking water facilities, education and cottage industries.

Relief and Rehabilitation :

30. The State Government is taking all possible steps to provide relief and rehabilitation to the flood affected people.

During the current financial year a sum of Rs. 101.42 crores has been sanctioned from the Calamity Relief Fund. Relief measures are also being extended to victims of ethnic violence in Kokrajhar, Bongaigaon and Dhubri districts, while ex-gratia grants are being sanctioned to victims of extremist violence, group clashes, etc. During the current financial year, Rs. 13.95 crores has been spent so far on GR and RG to victims of ethnic violence; Ex-gratia/ financial assistance amounting to Rs. 1.74 crores has also been given to the victims of ethnic and extremist violence.

Agriculture and Allied Sector :

31. Hon'ble Members will be glad to hear that one of the primary objectives of the Government in the agricultural sector, namely, the attainment of self sufficiency in the production of rice, was achieved during 1999-2000. This sector is under going rapid transformation thanks largely to the installation of shallow tube wells under RIDF and ARIASP schemes. During the current financial year, an additional 70,000 shallow tube wells are likely to be installed under the RIDF. With the successful installation of 1 lakh shallow tube wells under RIDF and another 30,000 under ARIASP during 1999-2000 and 2000-2001 in the State, the area under assured irrigation facilities is set to increase to 4.17 lakh hectares. The impact of these schemes is reflected by the fact that the State generated a surplus in rice production in 1999-2000. During 1999-2000, Assam produced 38.61 lakh tons as against 32.55 lakhs tons during 1998-99. The annual requirement of rice in the State is estimated at 34.09 lakh tones.

32. Efforts are being made to increase the area under double cropping from the present 12.51 lakh hectares to 20 lakh hectares by consolidating the gains in infrastructure

development during the current Ninth Plan period. The use of HYV seeds and fertilizers has also increased with improved assured irrigation facilities. In fact, the consumption of fertilizers has doubled to 29.30 kg per hectares during 1999-2000 from 14.20 kg. per hectare at the beginning of the Ninth Plan.

33. Wheat and pulses, two other important food-grain crops, are not grown extensively in the State due to unfavourable conditions. During 1999-2000 the production of wheat and pulses was 0.98 lakh tons and 0.71 lakh tons respectively. With an increase in assured irrigation facilities, thrust is being given to the production of these crops during 2001-2002. The Government is also taking up the programme of sprinkler irrigation in areas under oil seed cultivation during the current year to augment the production of oil seeds.

34. The dramatic increase in the area under irrigation due to wide spread use of shallow tube wells has fuelled considerable demand for power tillers and tractors. During the Ninth Plan period, till 1999-2000, the Department of Agriculture has distributed 407 power tillers and 120 tractors under Centrally Sponsored Schemes.

35. The State has so far achieved 6.60 lakh hectares of irrigation area against its potential of 27 lakh hectares. Irrigation Department is presently executing 10 on-going major/medium irrigation projects and 1241 ongoing minor irrigation schemes. Under ARIASP, the Government proposes to complete 141 deep tube well schemes and 81 river pumping stations at an estimated cost of Rs. 11.76 crores with a target of 6909 hectares. Till September 2000, 75 deep tube wells and 32 river pumping stations were completed with a potential of 3580 hectares. During 2001-2002, 66 deep tube

well schemes are proposed to be completed. The Government has also been implementing schemes with funds from the Non Lapsable Central Pool of Resources. Till October 2000, 86 ongoing minor irrigation schemes were completed at an estimated cost of Rs. 11.21 crores resulting in creation of an additional potential of 12,745 hectares.

36. The Department of Fisheries is executing a number of schemes to augment the production of fish in this State from its present level of 1.6 lakh tons against the present annual demand estimated at 2.64 lakh tons. These schemes also aim at the socioeconomic upliftment of SC/ST people including provision of self employment. The major schemes presently under implementation are for development of farmers' ponds, development of community tanks, demonstration projects, development of beels and open water fisheries, besides technical manpower development and support to Assam Agriculture University for research activities.

37. In the Animal Husbandry and Veterinary sector, priority is being given to the improvement of the quality of livestock so as to increase the production of milk, meat, eggs and milk products. Through World Bank assistance, schemes have been implemented for the artificial insemination of 1,15,601 cattle. The Dairy Development Department has been engaging itself with the procurement of rurally produced milk at remunerative prices and the distribution of clean wholesome milk at urban consumers through town milk supply schemes. The Department is also implementing a massive milk production scheme, viz., Milk village Scheme all over the State and a 100 percent Central Sector Scheme, Integrated Dairy Development Project in the hilly and backward areas of the state comprising ten districts at a total cost of Rs. 12.6 crores.

Poverty Alleviation Programme :

38. The State Government has been according the highest priority to alleviation of rural poverty and upliftment of the quality of life to the rural poor, since the problems of poverty and unemployment are closely interrelated, stress has been laid on the creation of self employment and wage employment opportunities through restructured programmes like Swarnajayanti Gram Swarojgar Yojana (SGSY). Jawahar Gram Samridhi Yojana (JGSY) and Employment Assurance Schemes (EAS). Importance has also been given to the Indira Awas Yojana (IAY) for providing dwelling houses to the homeless, shelterless people. During 1999-2000, Rs. 442.22 crores, including a State share of Rs. 54.67 crores, were released for these schemes. This fund was used for assisting 1152 self help groups and 5502 families under SGSY, and for creation of Rs. 132.86 lakh and Rs. 148.52 lakh mandays of employment under JGSY and EAS respectively. As many as 37,743 dwelling houses were constructed and 16,804 houses were upgraded under IAY. During the current financial year, up to the month of September 2000, 48 self help groups and 505 families were assisted under SGSY, 11.80 lakh mandays were created under JGSY, 11.80 lakh mandays were created under JGSY while 41.64 lakh mandays were created under EAS. Moreover 16,165 dwelling houses have been newly constructed and 7,701 dwelling houses have been upgraded under JAY. Special programmes in the Central Sector under SGSY have been launched for boosting the production of Eri and Muga Yarn (Golden Thread Scheme).

39. The Eleventh Finance Commission has awarded a sum of Rs. 233.40 crores over the period 2000-2005 as local body grants to supplement the resources of the rural panchayats.

Roads and Bridges :

40 The Government is aware that roads are critical for development more so in the case of remote, backward and land locked areas like the North East. Consequently, despite severe funds constraint, the State government has been releasing substantial funds for the development of roads and bridges. With a view to giving a boost to the construction of roads and RCC bridges in the State, the Government has been availing loan from NABARD under the RIDF Schemes. So far, loans have been taken for the construction of 44 bridges under RIDF -II, 13 bridges under RIDF - III, 39 bridges under RIDF - IV, 43 bridges under RIDF - V along with six arterial rural roads with a total length of 110.10 kms. Until December 2000, 50 of these bridges had been completed.

41. Under ARIASP, the State Government has taken up rehabilitation of 736 kms of roads and 209 bridges against the total allocation of Rs. 273.50 crores for rural. So far 80 bridges and 132.82 kms. of roads have been completed and an additional 60 kms of roads and 25 bridges are likely to be completed by the end of March 2001. The remaining works are expected to be completed by December 2001.

42. The implementation of the Indo Bangladesh Border Roads and Fencing Project in Dhubri and Karimganj districts is continuing and till date, 147.74 kms of fencing, 83 bridges, and 110.48 kms. of roads have been completed. The Phase-I of the Project is expected to be finished by March 2001.

Flood Control :

43. The problem of floods is endemic in many parts of the country, but nowhere is the problem more acute and persistent than in the State of Assam. Floods during the year 2000

caused 59 breaches due to crosion and 12 public cuts in both the Brahmaputra and Barak Valleys, besides causing wide-spread damage to cultivable and homestead lands, commu-
nication, life and property. The Brahmaputra Borad, which was established by the Government of India to tackle the flood problem and draw up a master plan, has so far undertaken project formulation and prepared project reports for Dehang, Subansiri, Pagladia and Tipaimukh projects. While Pagladia Dam Project has been agreed to be taken up during the 9th Plan, earnest efforts are being made to persuade the Gov-
ernment of India to take up the remaining mega projects.

44. During the current year, emphasis is being given to completing 74 ongoing schemes at various stages of imple-
mentation besides constructing 3 km of new embankments and 10 anti-erosion schemes under the Stater Annual Plan. The State Government also receives Central Loan Assistance for the execution of flood control schemes in the Central Sec-
tor. Due to the continuing efforts of the State Government, the Government of India has agreed to change the funding pattern from this year and has sanctioned grants instead of loans for the remaining period of Ninth Plan. This funding pattern envisages a 90 percent Central : 10 percent State share with the entire Central share being in the form of grants. The Government of India has been funding 25 schemes with a total estimated cost of Rs. 64.91 crores since 14996-99 under the Non Lapsable Central pool of Resources.

Power :

45. In consonance with the policy of the Government of India and recent developments in some States. Assam's power sector is on the threshold of an ambitious reforms and re-
structuring programme. The Government has approved a

policy which, inter alia, envisages the setting up of an Assam power Corporation to take up all the functions of generation and transmission of the present ASEB. While the transmission function will remain in the public sector, the generation function could be opened to private participation through the joint sector route. The Assam Rural Electrification Corporation is proposed to be set up with the express mandate for undertaking capital investments in the rural areas. To determine electricity tariff in a rational and remunerative manner, a single member State Electricity Regulatory Commission (SERC) is proposed to be set up which could be expanded to a three member commission in due course.

46. Funds are expected to be available under the Accelerated power Development Programme, after the State Government signs a MOU with the Government of India, for expenditure on energy audits, cent per cent metering, strengthening of transmission and transformation capacity which is expected to go a long way in cutting down transmission and distribution losses. To address the hydel thermal imbalance in the grid it is proposed to complete the 100 MW Karbi Langpi Hydro Electric Project on a war footing. The State Government also proposes to implement the 90MW Amguri Combined Cycle Power Project and 120 MW Coal-fired Borgoloi Thermal Power Project through the independent power producer (IPP) route with the aim of increasing the power generating capacity in the State.

Industries and Commerce :

47. The Government has strived hard to implement the various promotional schemes of industries in the State and has achieved considerable success in this regard notwithstanding numerous constraints. The NE policy announced by the Government of India, Supplemented by the State Indus

trial Policy, 1997 has evoked a good response from private investors, particularly in industries burdened with a high incidence of Central Excise Duty like paints, cosmetics and detergents. Commercial production of the Assam Accord Refinery at Numaligarh has commenced. The State Government has contributed Rs. 1.35 crores as share capital in the current financial year raising the total equity holding of the State Government in Numaligarh Refinery Ltd to Rs. 89.82 crores.

48. Infrastructure in the area of Information Technology has been considerably strengthened with the commissioning of two international gateways by the Software Technology Park of India (STPI) at Borjhar and NEDFI at Guwahati. The Government has also started the implementation of the scheme for the introduction of Information Technology in schools in each assembly constituency at the cost of Rs. 2 lakh per constituency. Moreover, computers are being installed in each District Industries Centre (DIC) in order to strengthen the standard of administration and improve efficiency at the field level.

49. Hon'ble Members may be aware that two Border Trade Centres have been sanctioned by the Government of India at Sutarkandi and Mankachar respectively. Another growth centre at Chaygaon is being sanctioned by Government of India at a cost of Rs. 25 crores. The State Government also proposes to set up a Food Processing Park at Sonapur at an estimated cost of Rs. 5.60 crores with assistance from Government of India. With a view to strengthening infrastructure, the Government of India has also sanctioned the setting up of two Industrial Infrastructure Development Centres (IIDC) at Dolgaon and Bhomoraguri respectively.

Handloom and Textiles :

50. Assam has a weavers population of 17.16 lakhs against

14.09 lakh looms. However, inspite of such a large number of weavers, handlooms from Assam have yet to make an impact in the market as only about 2 lakha out of the estimated 17 lakh weavers are commercial weavers. The Government is therefore planning to bring more weavers under the commercial fold through the implementation of State Sector and Central sectors schemes. The Government of India has sanctioned 360 project package schemes. Till December, 2000, 13,1000 weavers have been covered under this scheme. During the same period workshed-cum-housing assistance has been provided to 272 weavers. A new insurance scheme to provide social security to the weavers has also been introduced in collaboration with the Government of India. In the area of marketing, you will be happy to hear that besides catering to national market, ARTFED has also started exporting from this financial year and it has so far exported Rs. 1 crore worth of goods. Moreover, an Urban Haat is proposed to be constructed by AGMC Ltd. with Government of India assistance.

51. Assam has the unique distinction of producing all the 4 varieties of silk i.e. Eri, Muga, Mulberry and Tasar, Apart from various schemes under State plan, efforts are also being made to provide self employment through the production of Muga and Eri under a special SGSY project being implemented in partnership with Central Silk Board in eight districts Assam. The Project is estimated at Rs. 18.73 crores and will benefit 2650 families.

Transport and Tourism :

52. The Inland Water Transport is operating 49 ferry services in the Brahmaputra Vally and 24 in the Barak Valley. With the implementation of the Protocol on inland Water

Transit and Trade between India and Bangladesh, the commercial cargo services to Bangladesh as well as other States of India via Calcutta is in operation. The construction of a river terminal at Badarpur has been taken up with NEC funds at an estimated cost of Rs. 3.75 crores. Deeply concerned with the rapidly deterioration financial health of Assam State Transport Corporation (ASTC), the State Government is exploring various possibilities including a package for revival. A critical component of such a package, namely, a Voluntary Retirement Scheme for 2000 employees entailing a cost of Rs. 55.00 crore has been prepared and submitted to the Government of India for their consideration.

53. Tourism has immense potential to generate both employment and income with minimal investment. The Government has therefore decided to make tourism a major thrust area. Twenty major projects entailing an expenditure of Rs. 4.73 crores over the last 4 years of the improvement of tourist facilities have been completed. These include upgradation of tourist lodges at Kaziranga and at Bordoloni Bird Sanctuary and wayside facilities at Rowta, Nalbari, Bokakaht, Moran, Jagiroad, Biswanath Chariali, Chandubi and Kamakhya. During the current year, twenty two projects with a total estimated cost of Rs. 7.38 crores are under implementation, Notable among these are upgradation of tourist facilities at Pabitora and Bhalukpong, creation of wayside facilities, construction of Yatri Niwas, projects for the beautification of Guwahati along the Brahmaputra river front, integrated development of infrastructure at Pilgrim Tourist Centre at Kamakhya, sound and light show at Talatal Ghar and at Srimanta Snakardev Kalakshetra. In order to give a boost to the Tourism Sector, the Government has, in principal, decided to encourage private sector investments of tourism infrastructure and services.

54. After setting up of the Unified Command, considerable success in containing insurgency has been achieved by Assam Police. To increase the efficiency of the force, steps for modernisation have been undertaken by providing upgraded weapons, sophisticated security equipment, better mobility, modern communication equipment, and upgraded facilities for the Forensic Science Laboratory. In this connection, Government of India has allocated Rs. 38.7 crores for the modernization of Assam police over a period of five years, for which a five year perspective plan has been prepared.

55. The Eleventh Finance Commission has awarded Rs. 24 crores by way of Upgradation Grants for the police administration over the period 2000-2005 for the construction of police station buildings, setting up to mobile forensic science units, purchase of weapons and equipments, and provision of facilities for women police personnel. During 2000-2001, an amount of Rs. 45.00 crores has been released till date by the Central Government as reimbursement of security related expenditure. The Government of India guidelines of reimbursement of security related expenditure have recently been revised with effect from 1.4.99 allowing the reimbursement of expenditure on additional items like expenditures on Home Guards, POL used by State police, Village Defence Committees/Force, construction of accommodation for State Police, NSA detainees, and rehabilitation of surrendered militants.

Institutional Finance :

56. Institutional Finance are the wheels on which industry and business run and smooth flow of institutional credit is vital for economic development of the State. However, it is a concern that the flow of ground level credit in the State from

the lending institutions in general and the banks in particular are not adequate. Even though 1302 bank branches were functioning in the State as on 30.6.2000, the credit deposit ratio for scheduled commercial banks and regional rural banks together was 34.1 percent only against the all India average of 57.6 percent as on the quarter ending June 2000. Since low level of institutional credit has grave implications for the economy, the State Government has been regularly taking up the matter in different high level banking fora and urging the bank authorities to take effective measures to increase the flow of credit in the State .

State Finances :

57. Hon'ble Members may recall that I have been dwelling at length about the chronic financial problems of the State Government in my previous Budget Speeches since 1996-97 onwards. With the growth in expenditures continuing to outstrip the growth in receipts, the financial scenario remains a concern. Although the State's tax and non tax revenue collections have increased considerably in recent years, the unabated growth of non Plan revenue expenditure has caused acute fiscal imbalances. The rampant growth of non Plan revenue expenditure can be attributed to mounting expenditure on salaries, wages and pensions, increase in expenditure on account of debt servicing, growing dependence of State public sector undertakings on budgetary support from the Government, and heavy expenditure on the maintenance of law and order and counter-insurgency.

58. Non plan revenue deficits and fiscal deficits have continued to persist and cumulate year after year. What is particularly worrisome is that the revenue deficit is being increas

ingly financed through borrowings. Since heavy borrowings eventually result in mounting debt servicing obligation, incremental borrowing insidiously lead to higher revenue expenditures and increasing revenue deficits. It can thus be seen that revenue deficits and borrowings are strongly correlated and tend to feed on one another.

59. The continuing imbalance between expenditure and receipts has not only generated severe fiscal stress but has also engendered a cash flow problem, which has compelled State Government to rely heavily on drawals against the ways and Means and Overdraft Facility of the RBL. Regular resort to ways and means advances and overdraft from the RBI without possessing the wherewithal to liquidate the same has resulted in repeated monthly suspension of payments on the State Government account.

60. Not with standing the magnitude and complexities of the fiscal situation confronting the Government, we have through prudent financial management and enforcement of fiscal discipline effected a significant improvement in the financial position of the State. This is brought out by the revised estimates for the current year which indicate a sharp drop in the estimated deficit on current transactions and in the closing balance of the current year. As you are all aware, the State Government is presently in the process of implementing fiscal reforms. It is hoped that these reforms will start bearing fruit in the coming years and will enable the State Government to restore its financial health.

61. Hon'ble Members are aware that the Eleventh Finance Commission had visited the State in May 1999 to assess the financial requirements of the State Government. The State

Government had hoped that the Eleventh Finance Commission would take into account the special needs problems of the State while formulating its award. Unfortunately, the much awaited recommendations of the Eleventh Finance Commission have turned out to be a bitter disappointment. Instead of recommending substantially higher Non Plan Revenue Grants to the State to meet the widening gap in the non Plan revenue account, the Commission has slashed the Grant to a meagre Rs. 110.68 crores for the entire award period of 2000-2005, as compared to the Rs. 712.03 crores awarded by the Tenth Finance Commission (TFC) for the period 1995-2000. All other Special Category States and even some non special Category States have been awarded substantially larger Grants. The Eleventh Finance Commission (EFC) has also recommended the transfer of Rs. 12,362.05 crores as Share of Central Taxes to Assam over the period 2000-2005. Although this represents a 75 percent increase over the Rs. 7,064.14 crores awarded by TFC. These share of Assam in the net proceeds of all shareable Union taxes and duties has declined to 3.28 percent from 3.42 percent awarded by TFC. The EFC has also awarded Rs. 132.54 crores as Upgradation and Special Problem Grants, Rs. 254.99 crores as Local Body Grants, and Rs. 420.60 crores as Grants for Calamity Relief. That Assam has been left in the lurch by the Eleventh Finance Commission is reflected by the fact that the award of EFC in respect of this State constitutes only 3.05 percent of the total transfers from the centre to all the States. On the other hand, the State's share in total transfers in the awards of the Ninth and Tenth Finance Commission constituted 3.73 percent and 3.67 percent respectively.

Debt and Contingent Liabilities :

62. I have already explained how the Government has had to resort to debt financing to fund its revenue expenditures and how the State's increasing debt has contributed to the present financial crisis. The outstanding debt of the Government of Assam which stood at Rs. 6704.70 crores as on 1.4.1999 rose to Rs. 84441.33 crores as on 1.4.2000. The loans outstanding to the Central Government was Rs. 4802.85 crores as on 1.4.2000 which constituted 57 percent of the total loans outstanding. On the other hand, market borrowings were of the order of Rs. 1920.01 crores which amounted to 23 percent of the total outstanding debt. As per information available, the estimated outstanding debt as on 1.4.2001 is projected to increase to Rs. 9967.20 crores. During the current year, the total debt servicing liabilities as per the budget estimates is Rs. 1436.43 crores, out of which Rs. 996.08 crores is on account of interest payments.

63. The State Government is also deeply concerned about the fact that the debt servicing costs are eating into an increasingly larger share of fresh borrowings every year. In 1999-2000, while the total borrowings availed by the Government amounted to Rs. 1960.73 crores, the total repayments against loan principals outstanding and interest amounted to as much as RS. 1648.59 crores. One can therefore see that annual debt servicing costs account for as much as 84 percent of fresh incoming debt leaving hardly any scope for fresh capital investments. In fact, in the case of Central loans, the repayment of principal and interest (Rs. 1185.22 crores) exceeded the loan receipts from Government of India (Rs. 1090.35 crores) during the same year.

64. Hon'ble Members may recall that in my Budget Speech last year. I had announced that the State Government had constituted a Consolidated Sinking Fund which is to be used for the amortisation of the State Government open market loans. As a part of the Government's efforts to manage its debt more effectively and also in order to achieve greater inter generational equity, the State Government proposes to hike the provision for this Fund to Rs. 60 crores in the Budget for 2001-2002 from Rs. 20 crores in 2000-2001.

65. In order to ensure that the State Government contingent liabilities remain within manageable limits, the Government has imposed a ceiling on Government Guarantees against loans and other forms of debt financing sought to be availed by State Public Sector undertakings, Local Bodies and Co-operative Institutions. Since most of the PSUs and Co-operative Institutions are sick and are not in a position to service their debt. liabilities, the liability of repayment of principal and interest eventually devolves almost entirely on the State Government as the guarantor. During the current financial year, the State Government has had to pay Rs. 6.43 crores on behalf of PUS's and Co-operative Institutions after the invocation of the guarantees by the financial institutions. Consequently, the State Government has been constrained to adopt stringent norms for the issue of Government Guarantees.

Revenue Collection :

66. During 1999-2000, the total revenue collections of the State Government from its own sources amounted to Rs. 1669.68 crores , out of which tax revenues accounted for Rs. 1224.75 crores and non tax revenue Rs. 444.92 crores. The

total devolution of funds from the Centre during 1999-2000 was of the order of Rs. 3171.26 crores, with Rs. 1448.78 crores being provided as share of Central Taxes and Rs. 1722.48 crores as Grants-in-Aid under Non-Plan, Plan and Centrally Sponsored Schemes. The revised estimates indicate that the revenue receipts of the State Government from its own sources during 2000-2001 is expected to be Rs. 1930.29 crores, with tax revenue estimated at Rs. 4124.54 crores and non tax revenues at Rs. 505.75 crores. The total devolution of funds from the Centre during 2000-2001 is expected to be Rs. 4940.56 crores, with share of Central Taxes being estimated at Rs. 1759.32 crores and Grants-in-Aid under Non-Plan, Plan and Centrally Sponsored Schemes at Rs. 3181.24 crores.

Tax Proposals :

67. The Government had fixed the target of tax revenue collection for the current financial year 2000-2001 at Rs. 1040 crores under nine different Taxation Acts directly administered by the Finance Department. The provisional collection of tax revenue upto December, 2000 comes to rs. 734 crores. The collection of tax revenue for the corresponding period of 1999-2000 was Rs. 592.90 crores. Thus the growth of tax revenue upto December, 2000 over that of the same period of last year is about 24 percent. It is expected that the target for collection of tax revenue for the current year will be achieved, inspite of a fall in collection of tax under the Assam Agricultural Income Tax Act. 1939, mainly due to fall in prices of Indian tea in the international and domestic markets and also due to fall in production of tea in the State in the current year.

68. I had mentioned in my budget speech of last year that the Government of Assam had implemented Uniform Floor

Rates of tax with effect from 01-01-2000 as per consensus arrived at in the meeting of the State Chief Minister/Finance Ministers held at New Delhi on 16-11-99. The introduction of the Uniform Floor Rates has greatly contributed to the reduction of rate war among the States and it is expected that this reform in the tax rates in the States would bring an additional revenue of about Rs. 45 crores under the Assam General Sales Tax Act, 1993 during the current financial year.

69. The Assam Taxation (Settlement of Disputes) Act, 2000 was introduced with effect from 17-05-2000 to expedite settlement of cases pending in the High Court / Supreme Court and also with the departmental appellate and revisional authorities, and the same time to realise some revenue out of such settlement. The applications received for settlement of disputes under the Act are under process of disposal by the designated authority.

70. The Assam Taxation (On Luxuries) Act, 1997 was amended with effect from 20-05-2000 in order to levy tax on the stock of luxuries manufactured within the State and subsequently despatched outside the State. This covered the manufacture of goods by the units set up to avail of the benefit of concession of Union Excise Duty offered by the Government of India in the North Eastern States. This amendment has brought an additional revenue of Rs. 8 crores under the Act so far.

71. In spite of the introduction of Uniform Floor Rates of tax, the State Government had kept cotton yarn used in handloom sector exempted from payment of tax. It is found that acrylic yarn and other synthetic yarns are also used in the handloom sector now-a-days. The Government is con

sidering the inclusion of these yarns in the hank form in the exempted list with a view to providing an incentive to the handloom sector.

72. In order to enhance revenue collection under the Amusement and Betting Tax Act, 1939, the Government is considering a proposal to allow the proprietors of cinema halls to determine the rate of admission fees at their discretion without any Government control. As Amusement Tax is levied at per centum rate of admission fees, enhancement of the rates of admission fees will generate additional revenue. It is expected that an additional revenue of Rs. 7.00 crores will be collected, if the State control on fixation of rates of admission fees is withdrawn.

73. At present the show Tax under the Assam Amusement and Betting Tax Act, 1939 is levied at the rate of 10 percent of the total collection of admission fees in a show in a cinema house, subject to maximum of Rs. 10.00. This rate was fixed in the year 1966. It is proposed to enhance the ceiling to Rs. 100.00 in view of the fall in money value during this long period. A bill is accordingly going to be introduced in this session of the Assembly for necessary amendment of the Act. This amendment of the Act is expected to fetch an additional revenue of Rs. 1, crores.

74. A "Film Surcharge" at the rate of 20 percent of amusement tax is sought to be levied with a view to raising a corpus under the control of the Assam State Film (Finance & Development) Corporation for financing the production of regional films. For this purpose, a bill will be introduced in the current

session of the Assembly for amendment of the Assam Amusement and Betting Tax Act, 1939. This "Film Surcharge" is proposed to be levied for a period of five years only.

75. I am happy to inform the Hon'ble members that the sensation of the President of India for introduction of the Entry Tax Bill in the State Legislative Assembly has been received recently. Accordingly, the bill will be introduced in the current session of the Assembly. It is expected that on enactment of the Assam Entry Tax Act, an additional revenue of Rs. 20 crores will be generated under this Act. Implementation of this Act will reduce the scope of avoiding payment of sales tax in Assam, in respect of goods purchased by persons in Assam directly from outside the State. In the proposed bill provision has been kept that a dealer who import any goods taxable under the Assam General Sales Tax Act, 1993 and sells the same within the State would get set off of the amount of entry tax payable on the goods so that there will be no additional burden of tax on the consumer due to levy entry tax in such cases. It is also necessary to mention that this does not amount to a new tax, but is only a measure to plug loopholes in the existing tax arrangement.

76. It was decided in the meeting of the Chief Ministers / Finance Ministers held in November, 1999 at New Delhi under the chairmanship of the Union Finance Minister to introduce the system of Value Added Tax in all the States and Union Territories from 01-04-2002. As the Hon'ble members are aware, the system of Value Added Tax is a major and critical reform in the system of collection of sales tax revenue. The new system will be more transparent and self-compliant

and at the same time it will do away with the ills of cascading effect of tax under the existing system. But for proper introduction of the system of Value Added Tax certain preparations like training of officials of the Taxation Department as well as of the dealers, creating awareness amongst all concerned including the consumers, computerisation of the department and preparation of suitable law for the purpose will be necessary. The Government has already initiated actions in this regard.

Accounts 1999-2000 :

77. As per accounts furnished by the Accountant General, Assam, the financial year 1999-2000 closed with a net deficit of Rs. 142.00 crores. The actual receipts during the year under the Consolidated Fund, Contingency Fund and Public Accounts were Rs. 13,251.00 crores, whereas the total actual expenditure during the year was Rs. 13,283.77 crores, thereby leaving a net deficit of Rs. 32.55 crores on account of current transactions during the year. Taking into account the opening deficit of Rs. 109.45 crores, the State Government closed the year with a negative balance of Rs. 142.00 crores as on 31-3-2000.

Revised Estimates 2000-2001 :

78. The Budget estimates of 2000-2001 showed an estimated overall deficit of Rs. 1814.28 crores taking into account the opening deficit of Rs. 986.44 crores. However, as per revised estimates, the transactions during the year shown a deficit of Rs. 282.07 crores. But taking into account the opening deficit of Rs. 142.00 crores, the year is anticipated to close

with an overall deficit of Rs. 424.07 crores.

Budget Estimate 2001-2002 :

79. The budget estimates of 2001-2002 show receipt of Rs. 8715.08 crores under the Consolidated Fund of the State consisting of Rs. 6648.75 crores under Revenue Account and Rs. 2066.33 crores under Capital Account. Estimated receipts into the Consolidated Fund from different sources are shown at **Figure -3**. However, the total receipts aggregated to Rs. 11329.35 crores, taking into account the receipts of Rs. 2614.27 crores under Public Account. In the Budget estimates of 2001-2002 the expenditure from the Consolidated Fund of the State is estimated at Rs. 10267.63 crores of which Rs. 8331.65 crores is under Revenue Account and Rs. 1935.98 crores under Capital Account. A graphic representation of the estimates of major items of expenditure is at **Figure - 4**. Taking into account the expenditure of Rs. 1954.27 crores under Public Account, the total expenditure for the year is estimated at Rs. 12221.90 crores. Thus a deficit of Rs. 892.55 crores is estimated on account of current transactions during the year. Taking into account the opening deficit of Rs. 424.07 crores, the year 2001-2002 is anticipated to close with an overall deficit of Rs. 1316.62 crores. An abstract of transactions is shown at the Annexure.

80. Due to prudent fiscal management in the current year, we are looking at a much smaller budget deficit than the original budget estimates. The reduction in the budget deficit was achieved by better expenditure management. We hope to similarly curtail the budget deficit for the year 2001-2002 by con

tinuing with the same measures with renewed vigour. I have already mentioned that the award of the Eleventh Finance Commission was a big disappointment. The State Government has been urging the Government of India to redress the injustice done to the State by sanctioning additional central assistance. We hope that this initiative will bear fruit and that we will be able to secure substantial additional central assistance.

81. The State Government also aims generate additional tax revenues through widening and deepening of the tax base and by putting greater stress on better tax administration. The Government also expects that there will be no let up in the rate at which the economy is growing and that increased developmental activity may be aware that the State Government has since long been demanding that oil royalty at the rate of the landed cost of imported crude be paid by the Central Government. We expect that the Central Government will take due cognizance of this demand and agree to pay oil royalty at a significantly higher rate. The State Government also proposes to review all the existing user charges as a part of overall rationalization of government revenue sources. Further, with the recent introduction of revised guidelines for the reimbursement of Security Related Expenditures, we can hope to secure additional funds from Government of India by way of such reimbursement.

With these words, Sir, I commend the Budget to the August House for consideration.

GOVERNMENT OF ASSAM

FINANCE (BUDGET) DEPARTMENT.

NO. BW. 24/87/pt/17

Dated Dispur, the 10th Sept/92

OFFICE MEMORANDUM.

ECONOMY IN ADMINISTRATIVE EXPENDITURE OF GOVERNMENT

With a view to mobilising State resources for undertaking various development programme, it has become incumbent upon the State Government to reduce non-productive expenditures and to enforce strict economy for conservation of resources.

It is decided that the following instructions shall be strictly followed by all concerned.

1. VEHICLES :

A complete ban is imposed on purchase of all new vehicles. Wherever sanction has already been issued, but the he vehicles not yet purchased, such purchases shall not be effected. Efforts should be made towards utilisation of existing vehicles by suitable adjustments since there is ample scope for rationalisation in this regard. In respect of each Department a Committee consisting of (1) Additional Chief Secretary to the Government of Assam, planning & Development Deptt. (2) Secretary, Finance and (3) Commissioner/Secretary of the concerned Deptt. will review the position of vehicles and suggest rationalisation of allotted and pool Car. The Committee will try to achieve better efficiency with reduced number of vehicles.

2. TRAINING :

No Officer will be permitted attend foreign training course seminar of workshops for which expenses are to be met by the State Government. The State Government employees need not be sent for any training courses, seminar of workshops outside the State where course fee has to be paid

by the State Government, organisation of seminars, festivals fairs, exhibitions, excursions, workshops and training programmes except those to commemorate important state and national events within the State is totally banned except training programme organised by the Assam Administrative Staff College.

3. TRAVELLING EXPENSES :

(a) Expenditure on T.A. should be reduced by 10 percent of the budgetted provisions.

(b) Tours should be objective and programmes drawn up carefully so that each tour becomes effective and result oriented. Use of allotted/ Pool Vehicles during tour will be guided by instructions issued by Government from time to time.

(c) Tours outside the State should be minimised and to be under taken only when strictly necessary. As far as possible the services Resident Representative/Resident commissioner in Delhi may be made use of rather than officers proceeding to Delhi.

Officers below the rank of Secretary to the Govt. of Assam need not proceed to Delhi on tour. However, if there are exceptional cases where such journeys cannot be avoided, the journeys may be undertaken only by rail.

(d) Private Secretary/Personal Assistants attached to Minister and Junior officer/assistant attached to Senior Officer need not accompany the Minister/Others while travelling outside the State. Resident Commissioner, New Delhi and Trade Adviser and Director of Movements, Calcutta will arrange necessary Secretarial Assistance during the Minister's/officer's stay at New Delhi and Calcutta respectively. In case of tours to stations other than Calcutta and Delhi but outside the State. Chief Minister's approval shall be taken if any Minister wishes to be accompanied by a private Secretary/Personal Assistant.

4. TRANSFER :

Rotational transfer of Government servants should be restricted as far as practicable without jeopardising the administrative interest of the

Department concerned, No incumbent should be transferred before completion of three years.

5. FULL CONSUMPTION AND USE OF VEHICLES :

Consumption of fuel should be reduced by 20 percent. There should be strict discipline regarding use of Government vehicles. No officer shall be entitled to more than one attached vehicles either from the government side or from any other source like Corporation/ Board/Agency etc. No taxi or any other vehicle are to be hired for official purposes. Staff cars and staff buses used for conveyance of officers and staff must operate on actual POL cost basis.

6. TELEPHONES :

The STD facility shall be disconnected in the telephones of all officers below the rank of Secretary to the Government. The STD facility also may be disconnected in all Circuit Houses and Government Guest Houses.

Officers who are entitled to keep a STD telephone will maintain a record of their calls. In respect of the telephones allotted to Minister (s). Private Secretaries to the concerned Minister (s). shall keep such record.

7. CONTINGENCIES AND OTHER MISCELLANEOUS EXPENDITURE.

(a) Expenditure on office contingencies and other miscellaneous items should be reduced by 25 percent of the budgeted provision.

8. REAPPROPRIATION :

The powers of the Administrative Department and Heads of Departments to re-appropriate funds is withdrawn with immediate effect.

9. There will be a 10 percent cut on all provisions made in the budget for Share Capital Contribution/Plan and Non-Plan Loan/Grant for public Sector Undertakings and other bodies. A 10 percent out will also be applicable to all provisions for plan and Non-Plan grants-in aid.

12th Feb

All the economy measures outline above including on purchase of vehicles would also apply to all Public Sector Undertaking/Corporations/Boards and other Autonomous Bodies.

This supersedes all previous instruction on this subject.
