INTRODUCTION

1. I, as Chairman of the Departmentally Related Standing Committee on Development (D) Departments, Assam Legislative Assembly having been authorized by the Committee to submit the Report on their behalf, present this **TWENTY SECOND REPORT** on Demands for **Grant No. 51 the Soil Conservation Department** for the financial year, **2025-2026**.
2. Demands for Grant have been examined by the Committee under Rule 260 J (1) (a) of the Rules of Procedure and Conduct of Business in Assam Legislative Assembly.
3. The Committee took evidence of the representatives of the **Soil Conservation Department** on **13th March 2025**.
4. The Draft Report was considered and approved by the Committee at their meeting held on **16th March, 2025**.
5. The Committee expressed its thanks to the Officials of the **Soil Conservation Department** placing before them the requisite materials and their considered views in connection with the subjects under consideration.
6. The Committee would also like to place on record their deep sense of appreciation for the invaluable assistance rendered to them by the Officials of Assam Legislative Assembly Secretariat attached to the Committee.

Chairman
Departmentally Related Standing
Committee on Development (D) Departments
Assam Legislative Assembly

CHAPTER - I

REPORT

Grant No. 51 Soil Conservation

The Preliminary Status Paper along with the Action Taken Report has been received by the Departmentally Related Standing Committee on Development (D) Departments on Grant No. 51 from the Soil Conservation Department, wherein the respective Department has expounded various information with relevant data which are as follows:

Soil Conservation is one of the most dynamic sectors for the agriculture and allied sectors of Assam. The Land and Water resources together with wildlife as well as all forms of life create a promising troposphere for perpetuation of life forms and protection of environmental equilibrium. Soil Conservation Department is engaged for all Soil and Water Maintenance measures with a view to accomplish all forms of erosion caused by a varied aspect. Soil Conservation is the procedure of loss of the top layer of the soil from erosion or diminished fertility for unwarranted use of soil, acidification, salinization or other chemical adulteration. Fast industrialization and population growth has taken a hefty charge on the ecological balance. Both land & water resources have been subjected to huge burden causing land degradation, floods, soil erosions, loss of fertility of agriculture land, air & water pollution etc. which is a concern to be addressed with immediate attention.

For endurance of mankind, land & water resources must be managed methodically for application of land on a justifiable basis for fruitful resolutions. The Soil Conservation Department is working very vigorously in this direction and numerous schemes executed by the department aims at management of land & water resources on sustainable basis as well as, for creating income opportunities for rural people.

With time, it has been comprehended that for persistence of humankind, land & water resources must be managed scientifically for use of land on a self-sustainable basis for productive purpose. The Soil Conservation Department is active in this direction and various schemes as implemented aims at management of land & water resources on a continual basis for generating income for rural people.

Chapter – II

Grant No 51. (SOIL CONSERVATION)

The Departmentally Related Standing Committee on Development (D) Departments took Grant No. 51 incorporated in the Budget which was presented to the House on 13th March, 2025 for the Financial Year, 2025-26 for consideration.

The Departmentally Related Standing Committee on Development (D) Departments has made this Report incorporating all the facts and data given in the Budget and Preliminary Status Paper including Action Taken Report furnished by the Soil Conservation Department which are briefly focused as follows-

- 1.1. While examining the papers and documents, as received from the concerned Department in respect of Grant No. 51 and the budget provision made thereto, the Departmentally Related Standing Committee on Development (D) Departments held the said meeting on 13th March, 25 and took oral evidence from the Departmental representatives for discussing all the points raised by the Hon'ble Members of the Committee. At the same time, the Committee considered the Action Taken Report on the recommendation made in its **Twenty First Report** for the year, 2024-25.

The Budget provision made under Grant No 51 relating to Soil Conservation Department for the financial year 2025-26 is as given under:

	Revenue	Capital	Total (Rupees in Lakhs)
Voted	8102.50	6777.15	14879.65
Charged	0.00	0.00	0.00

**Under the following heads, an estimated Budget Allocation
has been fixed as shown below :**

HEAD OF ACCOUNTS		Rupees in Lakhs
2402	Soil & Water Conservation	7430.00
2415	Agricultural Research & Education	672.50
4402	Capital Account	6777.15
Total		14879.65

The amount, so allocated is presented before the House and is proposed to be spent in the Revenue Expenditure.

The Committee examined the Major Head of Grant No. 51 and took oral evidence from the Soil Conservation Departmental representatives. The Soil Conservation Department under Grant No. 51 comprises/incorporates various schemes taken by the Departments for the financial year 2025-26.

1.2 Focus Areas of the Department

The Soil Conservation Department has identified the following Focus areas for enactment of various schemes:

- ❖ Protection of top fertile Agricultural land from all sorts of Erosion and Land Degradation.
- ❖ Improve productivity of Agricultural land by adopting Water Harvesting and Water Distribution Techniques.
- ❖ Reclamation of Cultivable Wastelands like Fallow land, Wasteland, Waterlogged areas, land affected by sand deposits due to floods etc. by suitable Soil Conservation measures.
- ❖ Taking up Soil and Water Conservation Works in degraded 'Jhum' land in order to control Shifting Cultivation in the two hill districts of Assam.
- ❖ Nature Conservation & Climate Change adaptation.

1.3 Nature of projects being implemented:

Various types of works taken up by Soil Conservation Department are described below:-

- A. Gully Control Project
- B. Land Development Project
 - i. Field Bunding & Contour Bunding
 - ii. Bench Terracing
 - iii. Land Development By Drainage
- C. Protective Afforestation Works
- D. Water Harvesting
- E. Stream Bank Erosion Control Project
- F. Cash Crop Development
- G. Water Distribution Works
- H. Nature Conservation Works
- I. Wetland Development

WDC-PMKSY: WDC-PMKSY (Watershed Component) previously known as Integrated Watershed Management Programme (IWMP) is implemented by the department of Land Resources (DoLR) under the Ministry of Rural Development (MoRD). The former WDC-PMKSY was closed in September, Dated 2020 and the new version of WDC-PMKSY 2.0 was launched in January, 2021 by the DoLR.

The objectives of Watershed Development Projects are –

- To improve productive potential of rainfed / degraded land through integrated watershed management.
- To strengthen community based local institutions for promotion of livelihoods & watershed sustainability.
- At macro level, the project is to accelerate the economic growth rate of agriculture in the less endowed rainfed areas of the country.
- At watershed level, the development plan shall be guided by the need to achieve higher incomes for farmers, expanded livelihood option for landless, equity in distribution of benefits, community ownership and management, and ecologically sustainable action plan.

1.4 A BRIEF NOTE IN RESPECT OF GRANT NO. 51

The Soil Conservation Department has furnished the preliminary status relating to schemes proposed for the year 2025-26 with the particular prominence under Grant No. 51 as follows:

BUDGET/SECTORAL ALLOCATION FOR THE YEAR 2025-26

(Rs. In Lakh)

Sl. No.	Head	Budget/ Sectoral Allocation 2025-26	Remarks
1	FDR	7.48	
2	Nature Conservation	50.00	
3	Building & Approach Road	250.00	
4	Protection of Riverine Land	100.00	
5	Protective Afforestation	30.00	
6	Wetland Development	15.00	
7	Gully Control Project	398.07	
8	Land Development	50.00	
9	Land Reclamation & Water Distribution	10.00	
10	Disaster Risk Deduction	198.50	
11	TSP (LR)	94.00	
12	SCSP (LR & WD)	35.60	
13	SCSP (GCP)	113.70	
Sub Total for SOPD-G		1352.35	
14	Establishment Expenditure (SOPD) (Furniture, Machinery, IT etc.)	141.33	
TOTAL FOR SOPD		1493.68	

15	RIDF-SS	100.00	
16	RIDF-LS	1900.00	
Total for RIDF		2000.00	
17	WDC-PMKSY (State Share)	0.03	
18	WDC-PMKSY (Central Share)	0.03	
Total for WDC-PMKSY		0.06	
19	Establishment Expenditure (Revenue) (Maintenance, Training, GIA etc.)	482.69	
Grand Total		3976.43	

1.5 INFORMATION RELATING TO NEW SCHEME

For the financial year 2025-26, 3 (Three) Nos. of projects under ASDMA has been approved by the Assam State Disaster Management Authority vide letter No. Ecf. No.442023/15, Dtd. 10/01/2025 and budget has been allocated under DRR head of account for implementation of the said project during 2025-26.

Sl. No.	Name of Scheme	District	Amount (Rs. In Lakh)
1.	Baishumati- "Protection of vulnerable Gully erosion control structures" under Baksa Soil Conservation Division, Mushalpur.	Tamulpur	70.00
2.	Abadari - "Protection of vulnerable Erosion Control Structures" under Baksa Soil Conservation, Division, Mushalpur.	Tamulpur	88.50
3.	Enhance Soil Moisture Retention and Mitigation Strategies via Structural and Non-structural Measures for Drought like situation in Dhansiri Sub-division under Golaghat S.C. Division, Golaghat.	Golaghat	40.00
Total			198.50

(Annexure-X)

ACTION TAKEN REPORT

Furnished by the Soil Conservation Department on the observation and recommendation contained in the last Twenty First Report of the DRSC on Development (D) Departments on Grant No 51 of the Budget 2024-25.

Sl. No.	Observations and Recommendation	Action Taken Report
1	<p>The Departmentally Related Standing Committee (DRSC) on Development (D) Departments observes that in the last meeting a recommendation was made about the Rajapani Chanda under Kamrup (M) but due to the insufficient budget allocation under SOPD during 2023-24, the project work couldn't be implemented by the respective department.</p> <p>The Committee, therefore, strongly recommends that the Soil Conservation Department should take necessary steps to implement the aforesaid scheme during 2024-25. Since the budget allocation is too low, additional budget proposal may be submitted for the purpose during the FY 2024-25.</p>	<p>The recommended project namely "Boulder Revetment and Water Distribution Project at Rajapani Chanda, Rani near BSF Camp, Kamrup (M) District amounting to Rs.103.22 Lakh" can be taken up subject to allocation of sufficient budget during 2025-26. Also, it may be stated that Department could not submit demand for additional budget requirement to Finance Department since Finance Department had not yet made any provision for submission of supplementary demand for the financial year 2024-25.</p> <p>If however, Finance Department allocates fund for 2025-26 under RIDF, the Department shall endeavour to take up the project under RIDF Fund subject to approval of Higher Authority.</p>
2.	<p>The Committee observes that already the Soil Conservation Department couldn't implement the schemes in Durgasarubar Area of Santipur Hills, Kamrup (M) for the insufficient budget allocation during 2023-24.</p> <p>The Committee, therefore, recommends strongly that the Department should take necessary steps to implement the aforesaid scheme during 2024-25. Since the budget allocation is too low, additional budget proposal should be submitted for the purpose during FY 2024-25.</p>	<p>As per the recommendation, the project namely "Mitigation of Flash Flood and to reduce sediment and water yield at Durgasarubar area, Santipur Hills, Kamrup (M) amounting to Rs. 35.00 Lakh" has been approved under RIDF-XXX during 2024-25 and tendering process already initiated & same will be finalized shortly after observing all necessary formalities.</p>
3.	<p>The Committee observes that there is need of Boulder Pitching with Revetment for Erosions Protection work at Arikuchi village under Borkhetri, LAC of Nalbari District.</p> <p>So, the Committee recommends that the work of Boulder Pitching with Revetment for Erosion Projection work at Arikuchi Village under Barkhetri LAC of Nalbari District should be taken up in priority by</p>	<p>The recommended project namely "Boulder Pitching with Revetment for Erosions Protection work at Arikuchi village under Barkhetri LAC of Nalbari" amounting to Rs. 40.00 Lakh can be taken up subject to allocation of sufficient budget during 2025-26. Also, it may be stated that Department could not submit demand for additional budget requirement to Finance Department since Finance Department had not yet made any</p>

	<p>the Department concerned.</p>	<p>provision for submission of supplementary demand for the financial year 2024-25.</p> <p>If however, Finance Department allocates fund for 2025-26 under RIDF, the Department shall endeavour to take up the project under RIDF Fund subject to approval of Higher Authority.</p>
4	<p>The Committee observes that there is a need of prompt action from the Department to address the Water Logging in various places in the State of Assam.</p> <p>Therefore, the Committee recommends that the Department should take necessary measures to address the Water Logging issues to curb it completely, wherever necessary.</p>	<p>The Department is aware of the fact that water logging is a major issue in the agricultural productive land. Therefore, to mitigate the said problem, the Department executed "Land Reclamation and Water Distribution" works over the years in the entire state of Assam as per budget allocation. Some examples of such projects are as follows:</p> <ul style="list-style-type: none"> i) Water Harvesting Project at No.1 Dhamkhuna village under SOPD in the District of Kamrup (M) during 2021-22. ii) Water Harvesting & Distribution project at Muamari (Niz-Ambari) under SOPD in the district of Udalguri during 2021-22. iii) Land reclamation (Agri Bund) at LakhimiBarpomua from Bhanuram Path to MisimiPathar, Jengraimukh under SOPD-SCSP in the district of Majuli during 2023-24. iv) Integrated Land Reclamation & Water Harvesting Project at Monikotajan under RIDF-XXV in the district of Charaideo. v) Saphayan Jan Land Reclamation & Water Distribution Project from Ratanpur to Kamalpur village under RIDF-XXVIII in the district of Golaghat. vi) Thekeraguri Jan & Land Reclamation Water Distribution Channel under RIDF-XXIX in the District of Morigaon. <p>But, due to paucity of sufficient fund allocation, the department could not address each and every water logging cultivable area. Therefore, adequate budget allocation is required for the purpose. However, the Deptt. could not submit demand for additional budget requirement to Finance Department since Finance Department had not as yet made any provision for submission of supplementary demand for the financial year 2024-25.</p>

Sl. No.	Observations and Recommendation	Action Taken Report
5	<p>The committee observes that during the FY 2023-24, the budget allocation in respect of the Department concerned is not sufficient in comparison to previous year liabilities under SOPD.</p> <p>(i)The Committee, therefore, strongly recommends that the Department should submit a proposal of Supplementary Demand during the year 2024-25 amounting to Rs. 40.00 Crore (Rupees Forty Crore) only including the following two nos. projects - i) "Boulder Revetment and Water Distribution Project at Rajapani Chanda, Rani near BSF Camp, Kamrup (M) District" amounting to Rs. 103.22 Lakhs.</p> <p>ii) Mitigation of Flash Flood & to reduce sediment and Water yield at Durgasarubar area Santipur Hills, Kamrup (M) amounting to Rs.34.345 Lakh.</p>	<p>As per the DRSC recommendation, a proposal of Supplementary Demand amounting to Rs. 40.00 Crore (Rupees Forty Crore) only is prepared under different head of accounts as detailed –</p> <ul style="list-style-type: none"> i) Gully Control Project – Rs. 925.96 Lakh, ii) Protection of Riverine Land – Rs. 800.00 Lakh, iii) Land Reclamation & Water Distribution – Rs. 400.00 Lakh, iv) Wetland Development – Rs. 306.30 Lakh, v) Nature Conservation – Rs. 254.04 Lakh, vi) Building & Approach Road – Rs. 900.00 Lakh, vii) TSP – Rs. 150.00 lakh, viii) SCSP – Rs. 263.70 Lakh. <p style="text-align: center;">Total – Rs. 4000.00 lakh</p> <p>However, no demand for additional requirement has been submitted to Finance Department since they have not yet made any provision for supplementary demand during the financial year 2024-25.</p> <p>However, Among, 2 nos. of recommended project, 1 no. project namely "Mitigation of Flash Flood & to reduce sediment and Water yield at Durgasarubar area Santipur Hills, Kamrup (M) amounting to Rs. 35.00 Lakh has been approved under RIDF-XXX during 2024-25 and tendering process already initiated & same will be finalized shortly after observing all necessary formalities.</p> <p>Regarding the project "Boulder Revetment and Water Distribution Project at Rajapani Chanda, Rani near BSF Camp, Kamrup (M) District" amounting to Rs. 103.22 Lakhs, the same can be taken up subject to allocation of sufficient budget during 2025-26. If however, Finance Department allocates fund for 2025-26 under RIDF, the Department shall endeavour to take up the project under RIDF Fund subject to approval of Higher Authority.</p>

OBSERVATIONS AND RECOMMENDATIONS

Grant no 51

Soil Conservation Department

After a great deal of careful consideration of the papers/documents submitted by the Soil Conservation Department and clarification made by the Departmental representatives during the course of tendering their oral evidence the Departmentally Related Standing Committee (DRSC) on Development (D) Departments has made the following Observations and Recommendations.

1. The Departmentally Related Standing Committee (DRSC) on Development (D) Departments observes that Soil Conservation Department deals with the management of 3 natural resources i.e.- land, water & vegetation in draught prone area, water logged area & flood prone area. There is a need for taking up a project at Patharughat to commemorate the martyrs of historic Patharughat Farmer's Agitation, 1894.

The Committee, therefore, strongly recommends that the Department should take necessary steps to implement the project at Patharughat and the same may be named as "Patharughat-Patidarrang Integrated Drainage Line Treatment". The Deptt. Should propose for allocation of Rs. 200.00 Crore through SD, which will solve the problem of water logging of a vast area and this will also increase the net sown area.

2. The Committee during the meeting observes that the recurring flood & bank erosion by the river Dipota under Sonitpur district causes damage to standing crop and livestock every year.

So, the Committee recommends to take up series of stream bank erosion & soil conservation measures along both the banks of the river Dipota. The Committee recommends that the Deptt. should propose for allocation of an additional sum of Rs 50.00 Crore for successful completion of the project through SD.

3. The Committee makes the observation during the meeting that scheme of erosion protection works at Balijhar High School as well as cremation ground under Kamrup (Rural) district at Boko area is highly in need to be undertaken by the Department concerned in regard to the erosion caused by the Singra River.

Therefore, the Committee recommends the Department to up the erosion protection works on the Singra River to protect the Balijhar High School as well as cremation ground under Kamrup (Rural) district at Boko area on priority basis.

4. The Committee observes that there is a need for the protection of Soil erosion of the paddy field at Durgapur and Makragaan Villages of Durgapur under Sidli LAC.

Therefore, the Committee recommends that the Department concerned should take necessary steps for additional fund through SD proposal for the soil erosion protection works at Durgapur under Sidli LAC.

5. The Committee again discussed the Action Taken Report of the last meeting about the scheme at Rajapani Chanda under Kamrup (M) which could not be implemented due to insufficient budget allocation under SOPD during the F/Y 2024-25.

Accordingly, the Committee recommends that the scheme at Rajapani Chanda under Kamrup (M) should be taken up and completed by the Department concerned with a SD Proposal for additional budget, as applicable.

6. The DRSC Committee observes that during the FY 2025-26, the budget allocation in respect of Soil Conservation Department is not sufficient in comparison to previous year's liabilities under SOPD & RIDF.

So, the Committee recommends to submit Supplementary Demand amounting to Rs. 40.00 Crore (Rupees Forty Crore) only under SOPD and Rs. 40.00 Crore (Rupees Forty Crore) under RIDF.

7. The Committee observes the need for adequate involvement of the Local MLAs in the process of selection of schemes for implementation.

Therefore, the Committee strongly recommends that selection of schemes to be taken up by the Department concerned with the involvement/consultation of the local MLAs.

With these Observations and Recommendations as mentioned aforesaid, the Committee recommends that the Budget provision amounting to Rs. 14879.65 Lakhs during the financial year 2025-26 under the Grant No. 51 be accepted.

The Action taken on the report may be submitted to the Committee within 90 (ninety) days from the date of presentation of the Report to the House.

ASSAM LEGISLATIVE ASSEMBLY SECRETARIAT

NOTIFICATION

No.LADRSC (D)/2025/01

Dated Dispur, the 1st February, 2025

In pursuance of the Rule 260-I(1) of the Rules of Procedure and Conduct of Business in Assam Legislative Assembly, the Hon'ble Speaker, Assam Legislative Assembly has been pleased to nominate the following Members to constitute the Departmentally Related Standing Committee on Development (D) Departments, Assam Legislative Assembly.

1. Dr. Paramananda Rajbongshi	MLA & Chairman
2. Shri Binod Hazarika	MLA & Member
3. Shri Mrinal Saikia	MLA & Member
4. Shri Mihir Kanti Shome	MLA & Member
5. Shri Ganesh Kumar Limbu	MLA & Member
6. Shri Bijoy Malakar	MLA & Member
7. Shri Taranga Gogoi	MLA & Member
8. Shri Prithiraj Rabha	MLA & Member
9. Smti Nandita Das	MLA & Member
10. Shri Aftab Uddin Mollah	MLA & Member
11. Shri Abul Kalam Rasheed Alam	MLA & Member
12. Shri Nizam Uddin Choudhury	MLA & Member
13. Shri Nirmal Kumar Brahma	MLA & Member

And in pursuance of Sub-Rule (3) of the Rule 260-I of the Rules of Procedure and Conduct of Business in Assam Legislative Assembly, the Hon'ble Speaker has been pleased to appoint **Dr. Paramananda Rajbongshi**, MLA and Member of the Committee as the Chairman of the Departmentally Related Standing Committee on Development (D) Departments, Assam Legislative Assembly.

The term of the Committee shall be for a period of one year with effect from the 1st February, 2025.

Sd/-
Secretary,
Assam Legislative Assembly
