Annexure III

Annexure-III**Steps to get Farmer ID under Farmers' Registry**

The Assam Farmer Registry is meant to create a **unique Farmer ID for each farmer** under AgriStack. The Farmer Registry AS app/portal supports farmer registration through **eKYC**, viewing/updating land linkages and consent management through e-sign using Aadhaar. (asfr.agristack.gov.in)

1. Requirement for registration

- Aadhaar number.
- Aadhaar-linked active mobile number for e-KYC authentication through OTP.
- Digitized agricultural/cultivable land record details. (Jamabandi copy)

2. Access Farmer Registry

- Visit CSC or
- Visit nearest Agriculture office (through Operator) or
- Contact Sahayak.

3. Farmer registration

- Operator/Sahayak/CSC VLEs login into Farmer Registry AS app/portal.
- Select farmer registration option.
- Enter Aadhaar details and mobile number.
- Complete OTP-based authentication.

4. Complete Aadhaar eKYC

- Farmer's demographic details are verified through Aadhaar.
- Aadhaar authentication is essential for creating the farmer's digital identity.

5. Check farmer profile details

- Farmer's demographic details are fetched from Aadhaar database.
- Check name of the farmer as per Aadhaar.
- Check Father's / husband's name.
- Check Gender, date of birth, category, address and contact details.
- Mobile number and other required personal details.

6. Select and link land records

- Choose the district, Revenue Circle and village.
- Enter the relevant dag/patta/survey number.
- Verify the dag and land parcel fetched from RoR database.
- The agricultural/cultivable plot is mapped with the farmer's profile.

7. Verify ownership / possession linkage

- The system verifies whether the farmer's details match the owner name in the entered land details fetched from RoR system.
- In case of mismatch, legacy ownership, inheritance, joint patta, possession issue or data gap, the case may require field-level verification or Revenue/Agriculture Department approval.

8. Submit the application

- After Aadhaar verification and land linkage, submit the registration.
- An acknowledgement/application reference may be generated for tracking.

9. Field / official verification, where required

- Applications may be checked at L1/L2 or equivalent approval levels.

- Revenue officials viz. Land Records Assistant (L1) and Circle Officers (L2) login into Farmer Registry AS app and verify land linkage, cultivator status and correctness of details.

10. Generation of Farmer ID

- After successful verification and approval, a unique **Farmer ID** is generated.
- The farmer can thereafter use the Farmer ID for scheme registration, benefit validation and AgriStack-enabled services.

11. Use Farmer ID for scheme benefits

- Farmer ID may be used for PM-KISAN, PMFBY, fertilizer-related services, MSP procurement, crop survey linkage and other Central/State agricultural schemes.
- For PM-KISAN, the farmer must also maintain Aadhaar-based demographic verification, annual eKYC, land mapping with Farmer ID, and Aadhaar-linked DBT-enabled bank account.

Essential requirements in one line

Aadhaar + Aadhaar-linked mobile + digitized cultivable land record + land parcel mapping + eKYC + official verification = Farmer ID.

The following terms & conditions are applicable for this supply order:

1. The Government of India has directed that, for focus on self-sufficiency in quality seeds, states had been asked to share source of seeds supplied under various schemes with the Seed Division. It is imperative to endeavour seed traceability and quality. Further, the State

- Seed Corporation should be directly involved in production of quality certified seeds through local registered farmers, rather than procuring from private vendors / companies.
2. The quality of seeds should be in conformity of the Seed Act.1966 and Seed Control Order, Govt. of India. If seeds are not conforming to the Seed Act, the same will be rejected.
 3. Seeds should be duly certified by the State Seed Certification Agency.
 4. No revalidated seed and insect infested seed will be accepted. Foreign materials, etc. if any should be within the permissible limit.
 5. Any seeds found to be sub-standard after laboratory test by Assam Seed and Organic Certification Agency (ASOCA) at Guwahati and Zonal Laboratory at Cachar, Jorhat and Bongaigaon during delivery and after distribution will be rejected and Assam Seeds Corporation Ltd. will have to lift the stock at their own cost and the Department reserves the right to recover, if any expenditure incurred against the rejected materials. No payment shall be made against such rejected seeds.
 6. The seeds should be properly packed in standard bags duly affixing the Seed Certification Agency's Certificate Tag, QR Code for traceability and bear the visible mark as "Govt. supply not for sale".
 7. Supplied seeds must have at least 6 (six) months validity period.
 8. No alteration of varieties and district wise allotted quantities will be allowed.
 9. All seeds are to be supplied to the site as per direction/allotment of the SDAO/DAO concerned before the last date of supply.
 10. No time overrun and escalation of cost will be allowed.
 11. The Managing Director, Assam Seeds Corporation Ltd has to inform DAO concerned about the truck numbers of different seeds dispatched with quantity for verification etc.
 12. The Managing Director, Assam Seeds Corporation Ltd has to submit district wise final progress report of seeds to the undersigned invariably within 15 days of last date of supply.

Payment conditions and documents to be submitted:

1. The bill against supply of inputs must be submitted in triplicate with receipted original delivery Challan duly certified by DAOs to the undersigned for payment within 15 (fifteen) days of completion of supply. Germination test report must be submitted along with bills for release of payment.

The following terms & conditions are applicable for this supply order:

1. The Government of India has directed that, for focus on self-sufficiency in quality seeds, states had been asked to share source of seeds supplied under various schemes with the Seed Division. It is imperative to endeavour seed traceability and quality. Further, the State

Seed Corporation should be directly involved in production of quality certified seeds through local registered farmers, rather than procuring from private vendors / companies.

2. The quality of seeds should be in conformity of the Seed Act.1966 and Seed Control Order, Govt. of India. If seeds are not conforming to the Seed Act, the same will be rejected.
3. Seeds should be duly certified by the State Seed Certification Agency.
4. No revalidated seed and insect infested seed will be accepted. Foreign materials, etc. if any should be within the permissible limit.
5. Any seeds found to be sub-standard after laboratory test by Assam Seed and Organic Certification Agency (ASOCA) at Guwahati and Zonal Laboratory at Cachar, Jorhat and Bongaigaon during delivery and after distribution will be rejected and Assam Seeds Corporation Ltd. will have to lift the stock at their own cost and the Department reserves the right to recover, if any expenditure incurred against the rejected materials. No payment shall be made against such rejected seeds.
6. The seeds should be properly packed in standard bags duly affixing the Seed Certification Agency's Certificate Tag, QR Code for traceability and bear the visible mark as "Govt. supply not for sale".
7. Supplied seeds must have at least 6 (six) months validity period.
8. No alteration of varieties and district wise allotted quantities will be allowed.
9. All seeds are to be supplied to the site as per direction/allotment of the SDAO/DAO concerned before the last date of supply.
10. No time overrun and escalation of cost will be allowed.
11. The Managing Director, Assam Seeds Corporation Ltd has to inform DAO concerned about the truck numbers of different seeds dispatched with quantity for verification etc.
12. The Managing Director, Assam Seeds Corporation Ltd has to submit district wise final progress report of seeds to the undersigned invariably within 15 days of last date of supply.

Payment conditions and documents to be submitted:

1. The bill against supply of inputs must be submitted in triplicate with receipted original delivery Challan duly certified by DAOs to the undersigned for payment within 15 (fifteen) days of completion of supply. Germination test report must be submitted along with bills for release of payment.

Further, the State Seed Corporation should be directly involved in production of quality certified seeds through local registered farmers, rather than procuring from private vendors / companies.
2. The quality of seeds should be in conformity of the Seed Act, 1966 and Seed Control Order, Govt. of India. If seeds are not conforming to the Seed Act, the same will be rejected.
3. Seeds should be duly certified by the State Seed Certification Agency.
4. No revalidated seed and insect infested seed will be accepted. Foreign materials, etc. if any should be within the permissible limit.
5. Any seeds found to be sub-standard after laboratory test by Assam Seed and Organic Certification Agency (ASOCA) at Guwahati and Zonal Laboratory at Cachar, Jorhat and Bongaigaon during delivery and after distribution will be rejected and Assam Seeds Corporation Ltd. will have to lift the stock at their own cost and the Department reserves the right to recover, if any expenditure incurred against the rejected materials. No payment shall be made against such rejected seeds.
6. The seeds should be properly packed in standard bags duly affixing the Seed Certification Agency's Certificate Tag, QR Code for traceability and bear the visible mark as "Govt. supply not for sale".
7. Supplied seeds must have at least 6 (six) months validity period.
8. No alteration of varieties and district wise allotted quantities will be allowed.
9. All seeds are to be supplied to the Community Nursery Site as per direction/allotment of the SDAO/DAO concerned before the last date of supply.
10. No time overrun and escalation of cost will be allowed.
11. The Managing Director, Assam Seeds Corporation Ltd has to inform DAO concerned about the truck numbers of different seeds dispatched with quantity for verification etc.
12. The Managing Director, Assam Seeds Corporation Ltd has to submit district wise final progress report of seeds to the undersigned invariably within 15 days of last date of supply.

Payment conditions and documents to be submitted:

1. The bill against supply of inputs must be submitted in triplicate with receipted original delivery Challan duly certified by DAOs to the undersigned for payment within 15 (fifteen) days of completion of supply. Germination test report must be submitted along with bills for release of payment.

The following terms & conditions are applicable for this supply order:

1. The Government of India has directed that, for focus on self-sufficiency in quality seeds, states had been asked to share source of seeds supplied under various schemes with the Seed Division. It is imperative to endeavour seed traceability and quality. Further, the State Seed Corporation should be directly involved in production of quality certified seeds through local registered farmers, rather than procuring from private vendors / companies.
2. The quality of seeds should be in conformity of the Seed Act.1966 and Seed Control Order, Govt. of India. If seeds are not conforming to the Seed Act, the same will be rejected.
3. Seeds should be duly certified by the State Seed Certification Agency.
4. No revalidated seed and insect infested seed will be accepted. Foreign materials, etc. if any should be within the permissible limit.
5. Any seeds found to be sub-standard after laboratory test by Assam Seed and Organic Certification Agency (ASOCA) at Guwahati and Zonal Laboratory at Cachar, Jorhat and Bongaigaon during delivery and after distribution will be rejected and Assam Seeds Corporation Ltd. will have to lift the stock at their own cost and the Department reserves the right to recover, if any expenditure incurred against the rejected materials. No payment shall be made against such rejected seeds.
6. The seeds should be properly packed in standard bags duly affixing the Seed Certification Agency's Certificate Tag, QR Code for traceability and bear the visible mark as "**Govt. supply not for sale**".
7. Supplied seeds must have at least 6 (six) months validity period.
8. No alteration of varieties and district wise allotted quantities will be allowed.
9. All seeds are to be supplied to the Site as per direction/allotment of the SDAO/DAO concerned before the last date of supply.
10. No time overrun and escalation of cost will be allowed.
11. The Managing Director, Assam Seeds Corporation Ltd has to inform DAO concerned about the truck numbers of different seeds dispatched with quantity for verification etc.
12. The Managing Director, Assam Seeds Corporation Ltd has to submit district wise final progress report of seeds to the undersigned invariably within 15 days of last date of supply.

Payment conditions and documents to be submitted:

1. The bill against supply of inputs must be submitted in triplicate with receipted original delivery Challan duly certified by DAOs to the undersigned for payment within 15 (fifteen) days of completion of supply. Germination test report must be submitted along with bills for release of payment.

The following terms & conditions are applicable for this supply order:

1. The Government of India has directed that, for focus on self-sufficiency in quality seeds, states had been asked to share source of seeds supplied under various schemes with the Seed Division. It is imperative to endeavour seed traceability and quality. Further, the State Seed Corporation should be directly involved in production of quality certified seeds through local registered farmers, rather than procuring from private vendors / companies.
2. The quality of seeds should be in conformity of the Seed Act, 1966 and Seed Control Order, Govt. of India. If seeds are not conforming to the Seed Act, the same will be rejected.
3. Seeds should be duly certified by the State Seed Certification Agency.
4. No revalidated seed and insect infested seed will be accepted. Foreign materials, etc. if any should be within the permissible limit.
5. Any seeds found to be sub-standard after laboratory test by Assam Seed and Organic Certification Agency (ASOCA) at Guwahati and Zonal Laboratory at Cachar, Jorhat and Bongaigaon during delivery and after distribution will be rejected and Assam Seeds Corporation Ltd. will have to lift the stock at their own cost and the Department reserves the right to recover, if any expenditure incurred against the rejected materials. No payment shall be made against such rejected seeds.
6. The seeds should be properly packed in standard bags duly affixing the Seed Certification Agency's Certificate Tag, QR Code for traceability and bear the visible mark as "Govt. supply not for sale".
7. Supplied seeds must have at least 6 (six) months validity period.
8. No alteration of varieties and district wise allotted quantities will be allowed.
9. All seeds are to be supplied to the Community Nursery Site as per direction/allotment of the SDAO/DAO concerned before the last date of supply.
10. No time overrun and escalation of cost will be allowed.
11. The Managing Director, Assam Seeds Corporation Ltd has to inform DAO concerned about the truck numbers of different seeds dispatched with quantity for verification etc.
12. The Managing Director, Assam Seeds Corporation Ltd has to submit district wise final progress report of seeds to the undersigned invariably within 15 days of last date of supply.

Payment conditions and documents to be submitted:

1. The bill against supply of inputs must be submitted in triplicate with receipted original delivery Challan duly certified by DAOs to the undersigned for payment within 15 (fifteen) days of completion of supply. Germination test report must be submitted along with bills for release of payment.

The following terms & conditions are applicable for this supply order:

1. The Government of India has directed that, for focus on self-sufficiency in quality seeds, states had been asked to share source of seeds supplied under various schemes with the

- Seed Division. It is imperative to endeavour seed traceability and quality. Further, the State Seed Corporation should be directly involved in production of quality certified seeds through local registered farmers, rather than procuring from private vendors / companies.
2. The quality of seeds should be in conformity of the Seed Act.1966 and Seed Control Order, Govt. of India. If seeds are not conforming to the Seed Act, the same will be rejected.
 3. Seeds should be duly certified by the State Seed Certification Agency.
 4. No revalidated seed and insect infested seed will be accepted. Foreign materials, etc. if any should be within the permissible limit.
 5. Any seeds found to be sub-standard after laboratory test by Assam Seed and Organic Certification Agency (ASOCA) at Guwahati and Zonal Laboratory at Cachar, Jorhat and Bongaigaon during delivery and after distribution will be rejected and Assam Seeds Corporation Ltd. will have to lift the stock at their own cost and the Department reserves the right to recover, if any expenditure incurred against the rejected materials. No payment shall be made against such rejected seeds.
 6. The seeds should be properly packed in standard bags duly affixing the Seed Certification Agency's Certificate Tag, QR Code for traceability and bear the visible mark as "**Govt. supply not for sale**".
 7. Supplied seeds must have at least 6 (six) months validity period.
 8. No alteration of varieties and district wise allotted quantities will be allowed.
 9. All seeds are to be supplied to the Community Nursery Site as per direction/allotment of the SDAO/DAO concerned before the last date of supply.
 10. No time overrun and escalation of cost will be allowed.
 11. The Managing Director, Assam Seeds Corporation Ltd has to inform DAO concerned about the truck numbers of different seeds dispatched with quantity for verification etc.
 12. The Managing Director, Assam Seeds Corporation Ltd has to submit district wise final progress report of seeds to the undersigned invariably within 15 days of last date of supply.

Payment conditions and documents to be submitted:

1. The bill against supply of inputs must be submitted in triplicate with receipted original delivery Challan duly certified by DAOs to the undersigned for payment within 15 (fifteen) days of completion of supply. Germination test report must be submitted along with bills for release of payment.

Sir,

With references to the letters cited above, you are requested to make necessary arrangement for supply of Plant Protection Chemicals (Emamectin Benzoate 5% WG) against Pulses Production programme (Rajmah) under RKVY, 2025-26 as per District wise allotment enclosed at **Annexure-I**. The inputs are to be delivered up to ADO circle level as per instruction of DAOs within **the last date of supply**. The rate of inputs per unit is shown in the table which is inclusive of transportation, ASC Ltd margin etc. as admissible.

Name of input	Quantity (Kg)	Rate (Rs. per Kg)	Amount (Rs.)	Last date of supply
Emamectin Benzoate 5% WG	75.50	781.7264	59,020.34	25th December, 2025

The bills for the supplied inputs must be submitted in triplicate, along with receipted original challans and E-Way Bills, duly countersigned by the concerned DAOs, to the undersigned for payment. Payment shall be made within 15 days of completion of supply and submission of proper documents.

A. Terms and Conditions:

1. Specifications:-The inputs must conform to the specifications as per the guidelines under the Insecticide Act/Pesticide Control Order and Fertilizer Control Order (FCO).
2. Place of Delivery:-Inputs are to be delivered to the ADO Circle level, as per the district-wise breakup provided by the respective DAOs, within the stipulated date mentioned in the supply order.
3. Delay in Supply: Any delay in supply will be viewed seriously. The Directorate shall not be held responsible for making any payment against delayed deliveries.
4. Packing and Labelling:- The packaging should be strong and weather-resistant to withstand rough handling during transit.
5. Quality Control: - If any substandard or adulterated input is detected post-supply, the Department reserves the right to take appropriate penal action against the defaulting manufacturer/supplier.
6. Termination Clause:- The Directorate of Agriculture, Assam reserves the right to terminate

the contract at any time if any shortfall or irregularities are found during the contract period.

B. The bills for the supplied inputs must be submitted in triplicate to the undersigned along with the following documents:

- a) Receipted Original Challans – Signed by the receiving official at the ADO Circle level, showing details of items delivered.
- b) E-Way Bills – Must be properly filled and countersigned by the concerned District Agriculture Officer (DAO) as proof of delivery.
- c) Test Report of Inputs – A valid quality test report must be attached for each item supplied.

The Managing Director of Assam Seeds Corporation Ltd. is required to inform the concerned DAO about the truck numbers and quantities of dispatched Inputs for verification purposes. Additionally, a district-wise final progress report on the inputs supply must be submitted to the undersigned within fifteen days of the final date of supply.

The following terms & conditions are applicable for this supply order:

1. The Government of India has directed that, for focus on self-sufficiency in quality seeds, states had been asked to share source of seeds supplied under various schemes with the Seed Division. It is imperative to endeavour seed traceability and quality. Further, the

- State Seed Corporation should be directly involved in production of quality certified seeds through local registered farmers, rather than procuring from private vendors / companies.
2. The quality of seeds should be in conformity of the Seed Act, 1966 and Seed Control Order, Govt. of India. If seeds are not conforming to the Seed Act, the same will be rejected.
 3. Seeds should be duly certified by the State Seed Certification Agency.
 4. No revalidated seed and insect infested seed will be accepted. Foreign materials, etc. if any should be within the permissible limit.
 5. Any seeds found to be sub-standard after laboratory test by Assam Seed and Organic Certification Agency (ASOCA) at Guwahati and Zonal Laboratory at Cachar, Jorhat and Bongaigaon during delivery and after distribution will be rejected and Assam Seeds Corporation Ltd. will have to lift the stock at their own cost and the Department reserves the right to recover, if any expenditure incurred against the rejected materials. No payment shall be made against such rejected seeds.
 6. The seeds should be properly packed in standard bags duly affixing the Seed Certification Agency's Certificate Tag, QR Code for traceability and bear the visible mark as **"Govt. supply not for sale"**.
 7. Supplied seeds must have at least 6 (six) months validity period.
 8. No alteration of varieties and district wise allotted quantities will be allowed.
 9. All seeds are to be supplied to the Community Nursery Site as per direction/allotment of the SDAO/DAO concerned before the last date of supply.
 10. No time overrun and escalation of cost will be allowed.
 11. The Managing Director, Assam Seeds Corporation Ltd has to inform DAO concerned about the truck numbers of different seeds dispatched with quantity for verification etc.
 12. The Managing Director, Assam Seeds Corporation Ltd has to submit district wise final progress report of seeds to the undersigned invariably within 15 days of last date of supply.

Payment conditions and documents to be submitted:

1. The bill against supply of inputs must be submitted in triplicate with receipted original delivery Challan duly certified by DAOs to the undersigned for payment within 15 (fifteen) days of completion of supply. Germination test report must be submitted along with bills for release of payment.
