ASSAM CANCER CARE FOUNDATION

Rates applicable at ACCF are: ACCF model focuses on affordable pricing, empanelment with government schemes and insurance providers, and elimination of catastrophic healthcare expenditure for cancer patients.

1. ACCF hospital service charges are primarily aligned with CGHS 2025, TMH 2024, and TMC rates. These rates are applicable to all including general category and cash patients. Services under PMJAY/MMLSAY are provided strictly as per the package rates and guidelines notified by the Government.
2. PMJAY and MMLSAY are Government-sponsored cashless health assurance schemes with predefined treatment packages. Once the required pre-authorisation is obtained and the patient is admitted under the scheme, eligible beneficiaries are not required to incur any out-of-pocket expenditure for covered services, in accordance with the scheme guidelines.
3. To support economically weak patients, ACCF extends a 10% concession on the prevailing general cash rates to BPL (Below Poverty Line) beneficiaries, unattended patients, and other financially poor patients who may not possess a BPL card, subject to organisational eligibility criteria.
4. For needy patients requiring investigations and consultations prior to PMJAY pre-authorisation, the associated costs are supported, through Patient Support Funds contributed by CSR donors, subject to availability.
