1	Belsiri LS under NLCPR for the year 2007-08	Sonitpur	Barchalla	No	No	Yes	• The Belsiri Lift Irrigation Scheme under Sonitpur District was sanctioned during 2007-08 at an estimated cost of Rs. 2.12 crore for irrigation facilities of 500 hectares of land and has received funds amounting to only Rs. 68.48 lakh so far. • The scheme consists of 2 Nos. of lifting points to create 100 Ha for Point No. 1 and 200 Ha for Point No. 2 respectively. The Point No. 1 was continued with the construction of Pump-house and canal system of length 600 m achieving 55% completion. Further works of canal construction could not be continued due to hindrances from the public to spare their land. The LA issue was resolved in 2011, the contractors declined to carry on the works as per originally accepted rates. Presently, the river is also silted up making the scheme redundant. • The Point No. 2 got washed away by the flood and erosion of the left bank in Belsiri River in 2009. Having no alternative, the implementation of further works of Point No. 2 was dropped. • Subsequently in view of changes in the sanctioned provision of the work as well as the original SOR rates/approved rates was submitted to MDONER during the year 2010-11 for an amount of Rs.167.17 L. No revised AA was accorded. As a result, the scheme could not be continued. • As the implementation of the scheme was delayed, for more than 5 years, therefore as per the decision of Minutes of NLCPR (now NESIDS) chaired by former Minister, DoNER and former Minister, P & D (now T&D) held on 03/10/2016, a No.5 of the MoM that schemes delayed more than 5 years shall be foreclosed. (copy of MoM enclosed). Accordingly, a letter was moved to the MDONER through T & D Department vide its letter No. PDP (PP) 432007/156 dt 22/01/2018. • After several round of discussions during 2024-25, the scheme was recommended for foreclosure by the State Level I (SLEC) and subsequently placed before the Empowered Inter-Ministerial Committee (EIMC) held on 21st March, 2025, recommended for foreclosure on full refund basis. • The T & D Department, Goa has instructed that the entire released amount of Rs.68.48 lakh against the project "Belsiri LS under NLCPR be refunded to the Consolidated Fund of India (CFI) through the BharatKosh Portal. However, the amount released due to non-availability of a Head of Account and budget provision for NLCPR schemes during the financial year 2024-25 required budget provision will be made in the Budget Estimates for 2026-27 and the amount will be refunded through thereafter.
