**Hon'ble Minister of Water Resources Department, Sri Sushanta Borgohain
will reply:**

-ANSWER-

- a) The Water Resources Department has identified the vulnerable locations under Udharbond LAC in Cachar district, including Nayagram, Jagannath Mandir (Manipuri Para), Shib Bari - Nayagram, Gossaipur Part 2 and Gossaipur through multiple site visits. Accordingly, the estimates for protection of the aforesaid locations have been prepared and the list of schemes is enclosed at **Annexure-1(A)**. The Department shall take up the proposed schemes to protect the given locations against flood and erosion, subject to availability of funds.
- b) The Water Resources Department has undertaken necessary temporary palliative measures in the vulnerable reaches of Karatigram and B.C. Gupta to mitigate the immediate impact of erosion. Further, the Department has formulated several erosion protection schemes of permanent nature for the aforesaid locations and has prepared the estimates thereof, enclosed at **Annexure-1(B)**. The execution of these permanent protection works shall be taken up subject to the availability of funds.
