

ASSAM LEGISLATIVE ASSEMBLY
UNSTARRED QUESTION NO. 131
DATE OF REPLY : 08/07/2026

UNSTARRED QUESTION NO - 131
Sub: Irrigation Projects in Mankachar LAC.

Md. MOHIBUR ROHMAN :

Will the Minister of Irrigation Department be pleased to state :

- a) Please furnish the details of irrigation Projects completed and those currently under construction in the Mankachar Legislative Assembly constituency during the last three years.
- b) Whether the Government has any proposal to undertake new irrigation projects in the char (riverine) areas under Mankachar Legislative Assembly constituency.
- c) If so, please furnish the details of such proposed projects, including the estimated cost, source of funding, area proposed to be covered, and likely date of commencement.
- d) Please furnish the present status of the sluice gate at Kudalbhanga under Pankata Gaon Panchayat.
- e) Whether the said sluice gate is currently functional, if not, please furnish the reasons for its non-functioning.
- f) Whether any inspection or assessment of the sluice gate has been conducted during the last three years and the finding thereof.
- g) A vast farming land under Moynabanda area of Fekamari Gaon Panchayat remains flooded for the most part of the year. Is there any plan to revive that area and make the landscape usable for farmers again?

A N S W E R

Hon'ble Minister, Irrigation Shri Pijush Hazarika will reply:

- a) During the last three years, the Irrigation Department has undertaken two schemes in the Mankachar Legislative Assembly Constituency.

The details of the schemes have been uploaded as **Annexure-A** on the Assam Legislative Assembly website "www.cms.neva.gov.in" in compliance with the directives of the Assam Legislative Assembly.
- b) The District Irrigation Master Plan (DIMP) for South Shalmara District for the year 2026–27 has already been prepared. The Department will take up new irrigation schemes based on technical feasibility and as per the demand of farmers.
- c) The details of those proposed schemes have been uploaded as **Annexure-B** on the Assam Legislative Assembly website "www.cms.neva.gov.in" in compliance with the directives of the Assam Legislative Assembly.
- d) The Kaloo FIS, located in Kudalbhanga, is at the ongoing stage. The scheme was taken up under AIBP during 2008–09. The head works of the scheme have been completed along with part of the guide bund. However, construction of river training works, the remaining portion of the guide bund including river closing works, afflux bund, and the main canal are yet to be executed.
- e) No. The construction works of river training works, guide bund including river closing part, afflux bund, canals and canal structures, land acquisition etc. are yet to be done. Proposal has been initiated as Phase-II of the scheme incorporating these works.
- f) An inspection has been done on 18/07/2025 by Sri Kailash Chand Samaria, IAS, Additional Chief Secretary (Irrigation), Sri Dhruvajyoti Roy Chowdhury, Chief Engineer (Irrigation), Sri Bijayananda Baishaya, Executive Engineer, AEE Anowar Rafi, with other Technical Staffs of Mankachar Division (Irrigation), along with Sri Rahul Kumar Gupta, IAS, District Commissioner of South Salmara Mankachar District. Again on 06/08/2025 another inspection was done by Sri Ujjal Borgohain, Additional Chief Engineer cum Zonal Guardian Officer along with Sri Mrinal Das , SE, Goalpara Circle (Irrigation) and instructed to carry survey for the entire command area of distributaries system.
- g) Currently there is no such type of plan is taken by our Irrigation Department. The Irrigation department do not have any schemes regarding dewatering of waterlogged areas.

DY.No. 25

Assembly Question asked by: Hon'ble MLA Mohibur Rohman

Annexure-A
