ANNEXURE -C

GOVERNMENT OF ASSAM PLANNING AND DEVELOPMENT DEPARTMENT

NO. PD/DCP/29/95

Dated Dispur, the 20th July, 1995

UNTIED FUND

The **Revised Guidelines** for approval and implementation of schemes for the year 1995-96 and onwards (issued in supersession of the guiding principles issued under letter No. PD/DCP/49/88/70, dated 31-3-89 and amendments issued thereto)

1. OBJECTIVE OF UNTIED FUND :

Untied Fund is being placed at the disposal of every district/Sub-Division with a view to providing the Sub-Divisional Planning & Development Committee a certain measure of financial freedom and to encourage them to plan some schemes in their discretion. This is an earmarked fund for the purpose of encouraging Local Level Planning. The schemes under untied fund should be of local nature. It is desirable that such schemes help either production or employment generation or both.

2. THE DISTINCTION BETWEEN MLA'S AREA DEVELOPMENT SCHEMES AND UNTIED FUND SCHEMES

With the introduction of MLAs Area Development Schemes in the State in the line of MP's Local Area Development Scheme, it has become necessary to draw a line of distinction between MLA's Area Development Schemes and Untied Fund Schemes in the matter of drawing up the schemes.

The Untied Fund shall not in any way be divided among Legislative Constituencies and the selection of schemes is also not to be constituency wise in view of the fact that requirement of MLA's for their respective constituencies is not being taken care of by the fund under MLA's Area Development.

3. SHARE OF UNTIED FUND FOR URBAN AREA:

Over 50% of Untied Fund allocated for a Sub-Division/District for a year may be spent for development in Urban Area in view of the fact that on the one hand as rural area investment has been stepped up of late tremendously through Rural Development Programmes and most of the schemes earlier covered under Untied Fund are now taken up by the DRDAs, and on the other, no special funds are available to take care of special problems of local nature in Urban Areas which can be met by minor investments from the untied fund.

4. SALIENT FEATURES OF UNTIED FUND SCHEMES:

The works under untied fund shall primarily for asset creation and no purchase of inventory of revenue expenditure should be allowed. The Untied Fund Schemes shall be prepared on the basis of the following criteria:

- (i) The type of works should be such that can be completed in one or two working seasons i.e. within the same financial year.
- (ii) The schemes should lead to the creation of durable assets.
- (iii) The scheme should be for development works based on local felt needs.
- (iv) The scheme should be productive/remunerative /revenue earning and economically viable.
- (v) Each individual work should be conceived and completed with the onetime fund allocated for the purpose.
- (vi) The scheme should be of such type that helps removal of some problem of the area.
- (vii) The scheme should be visible and may also help infrastructure development.

5. THE FOLLOWING TYPE OF WORKS,IN PARTICULAR, SHALL NOT BE ALLOWED UNDER UNTIED FUND :

- (a) Works which do not fall within the scope of the district plan.
- (b) Works belonging to commercial organization trusts, registered ,societies, private institutions of cooperative institutions.
- (c) Repair and maintenance works of any type as distinct from expansion and renovation works.
- (d) Grants and loans.
- (e) Memorials and memorial buildings.
- (f) Purchase of inventory or purchase of any type.
- (g) Acquisition of land or any compensation for land acquired.
- (h) Assets for an individual benefit, except those which are part of approved schemes.
- (i) Places of religious worship.

6. MAINTENANCE OF UNTIED FUND SCHEMES:

Deputy Commissioner should ensure that provision for maintenance of scheme taken up under untied fund will be forthcoming from the concerned local body/agency department.

7. IMPLEMENTING AGENCY:

Untied fund scheme will be implemented by the respective Government Department/Agency. However, if necessary, depending upon the circumstances, implementing committee may be constituted under the supervision of Deputy Commissioner and such committee should be made accountable to the district authority and to Audit and Accounts. Completion of the work should be certified by the technical officers of the implementing department concerned. Implementation Officers of the implementing department concerned. Implementation of the schemes should start only after clearance of planning and development department is obtained.

8. APPROVAL BY THE PLANNING AND DEVELOPMENT DEPARTMENT:

All schemes under the untied fund should be passed by the SPDC and these schemes should be clearly recorded in the minutes. Only those scheme which are recorded in the minutes, will be approved by the Planning & Development Department.

While forwarding schemes for clearance of the P & D Deptt., Deputy Commissioner s should certify that schemes are taken up as per guidelines, along with observations, if any . All schemes forwarded by the Deputy Commissioners for approval of planning & Development Department should be accompanied by appropriate justification. Every schemes must have a stated objective, physical targets and other benefits, if any ,outlay, specific location and time required for completion.

In the area of location of the schemes a signboard or even a handwritten poster may be hung in an appropriate place depicting the amount that will be spent and the likely benefit derived there from for the information of the public.

OFFICE MEMORANDUM

Subject: Sanction and Release of Untied Fund.

The guidelines for approval and implementation of schemes under Untied Fund issued vide this Department letter NO.PD/DCP/29/95, dtd. July 20, 1995 are in force at present. Of late, the attention of the Government has been drawn of the procedure for approval and implementation of the schemes under Untied Fund which need to be further elaborated for speedy and proper utilization of funds released to the Deputy Commissioners for various schemes. After due consideration, it has therefore, been decided to amend the existing guidelines in respect of sanction. Release and Utilization of Untied Fund to the extent given below:

1. All proposals for a district must invariably be routed through the Deputy Commissioner of the district level officers of technical departments as per usual Govt. norms and the estimates etc. shall be approved by the Deputy Commissioner before the schemes are submitted to the Govt. in the Planning and Development.
2. Planning and Development Department would make a preliminary examination of these estimates and wherever felt necessary, refer the same to the higher authorities of the technical departments at the State Level(i.e. to say Chief Engineers/ Directors of various departments). These senior officers would be required to comment on the technical feasibility and correctness of estimates of the proposals. Planning & Development Department having satisfied in the manner above about the technical and financial reasonableness of the project would sanction funds as per the estimates and release the same to the Deputy Commissioners for implementation.
3. Any proposal, which is received directly by the department would be referred back to the Deputy Commissioner for further processing as mentioned above.
4. The Deputy Commissioners while submitting the proposals to the Govt. would obtain a certificate from the concerned implementing department of the district to the effect that funds for the same proposal (either in full or part) have not been received from or proposed for sanction to any other agency like the concerned departments of State Govt. any external funding agency or any department of the Govt. of India.
5. The Deputy Commissioners would cause the implementation of the scheme strictly in accordance with the sanctioned proposal and submit a Utilization Certificate within 12 months of the receipt of funds by him in a format prescribed by the planning and development department. Failure to submit this Utilization Certificate would be adversely taken note of by the Govt. as far as the Deputy Commissioner is concerned.
6. In case of funds released in the form of grants-in-aid where no specific proposals indicating identified works are given to the Planning & Development Department (like

grants for development of schemes etc.) , the Deputy Commissioner would ensure that after the receipt of funds the same are released only after the works to be executed are properly identified and approved by him. The Utilization Certificates in these cases would be submitted in accordance with the works approved by him.

7. All the Utilization Certificates shall be signed first by the implementing agency then by the user agency and there after countersigned by the Deputy Commissioner.
8. The Deputy Commissioners would be responsible for inspection (either be themselves or through their officers) of at least 15% of the works undertaken from untied funds and an annual inspection report including all these reports shall be furnished to the Planning & Development Department.

The component-wise expenditure to be submitted in the following format.

1. Name of the Scheme :
2. Amount sanctioned :

Component/items of work	Fund utilized.
(a).	
(b).	
(c).	
(d).	

These guidelines would come into force immediately.

MESSAGE

It gives me immense pleasure that revised edition of Guidelines on Member of Legislative Assembly Area Development Scheme has been brought out by my Ministry. The scheme started in 1994 has been doing extremely well in creating community assets for betterment of the people at far flung areas also. Based on the performance, achievement and requirement of the scheme the Government has raised the annual allocation of Hon'ble Member of Legislative Assembly from Rs.40.00 lakh to Rs.100.00 lakh from the financial year of 2012-13.

To ensure the MLAADS fund can be spent timely, speedily, effectively and fruitfully throughout the state, the present guidelines have been made broad based enabling the District Administration for smooth implementation and monitoring of the schemes for full satisfaction of the society at large.

I am pleased to release the "Revised Guidelines of MLAADS" which I hope shall be useful for Hon'ble MLAs to take up development activities in much better and effective way.

(TANKA BAHADUR RAI)

REVISED GUIDELINES OF MLAADS - 2013

1. Background

- 1.1 With a view to intensify the degree of participation of local people and their representatives in the planning process, which is one of the main objectives of decentralized planning, the concept of Members of Legislative Assembly Area Development Fund (MLAAD Fund) was introduced in Assam in 1994-95. Under this scheme, Constituency wise fund will be provided from the State's Plan Budget every year which may be changed depending on the resource position and other commitments of the State. The "MLAAD Fund" is intended to be utilized for some essential projects/ works based on the felt needs of the local people. This fund is Non-Lapsable and not tied to any development sector and it shall be governed by certain guidelines as given below. All established administrative and financial procedures of the State Government for implementation of development programmes will apply to the utilization of fund under MLAAD Scheme.

In this context, the then Chief Minister of Assam announced in the Legislative Assembly on 22-03-1994 to implement the "MLA Area Development Scheme" in Assam. The Chief Minister addressed to all members of Assam Legislative Assembly vide his D.O. No. CMS .I (A) 94/15 dated 1st May, 1994 regarding implementation of MLAAD Scheme accordingly.

- 1.2 The scheme was introduced in the year 1994-95 initially the fund under the scheme was Rs.5.00 lakhs per LAC per year. From the financial year 1995-96, the limit of Rs.5.00 lakh was raised to Rs.10.00 lakhs per LAC and in 1997-98, the limit was further increased to Rs.20.00 lakhs, again in 2003-04 to Rs.30.00 lakhs and then in 2007-08 it was raised to Rs.40.00 lakhs. The Hon'ble Chief Minister while presenting the budget on 8th March, 2012 in the Assam Legislative Assembly announced that MLAADS fund would be enhanced upto Rs.100.00 lakh with effect from 2012-13. It was eventually raised to Rs.100.00 lakhs in 2012-2013. After gaining some experience the Planning & Development Department, revised the Guidelines in 2004 and thereafter in 2007. Again in 2013 the Planning and Development Department of the State Government decided to revise the guidelines to make the guidelines more specific, scientific and rational.

2. SALIENT FEATURES

- 2.1 Under this scheme for “Strengthening and Augmentation of Infrastructure facilities in the Assembly Constituency”, each MLA can suggest works for creating durable assets to be done in their constituencies against one individual project costing Rs.0.25 lakh to Rs.10.00 lakh. The limit can be exceeded in special cases of bigger projects but not more than Rs.10.00 lakh per year can be utilized in such a project. Bigger projects can, however, spill over to next year and cost of the project should not exceed Rs.20.00 lakh. MLAAD Funds shall ordinarily be given on fresh proposals received from the grass-root level.
- 2.2 **The works recommended under this scheme should conform to -**
- i) developmental nature,
 - ii) non-recurring expenditure,
 - iii) creation of assets for future,
 - iv) related to direct benefit to the public,
 - v) community programme,
 - vi) electrification programme,
 - vii) in case of bank linkage schemes approved by concerned department and lead bank for agricultural machinery like shallow tube wells, power tillers etc.,
 - viii) assets creation by infrastructure development for BPL/SC & ST/OBC/MOBC Community/SHG by way of providing fishery, rubber plantation, sericulture and handloom,
 - ix) Self employment programme of BPL/SC & ST/OBC/MOBC SHGs,
 - x) Schemes for drinking water supply, education, electricity facility, health & family welfare, irrigation facility, roads, pathways, culverts & bridges, sports and other public facilities including sanitation & public health.
- 2.3 The Planning and Development Department is responsible for policy formulation/guidelines, sanction & release of funds and prescribing monitoring mechanism for implementation of the scheme.
- 2.4 The Deputy Commissioner is designated as the Nodal Agency of the district for overall supervision, monitoring and co-ordination of the MLAADS implementation with the agencies/line departments.
- 2.5 The Planning and Development Department will release fund to the District Authorities and the District Authorities shall report the status of MLAADS implementation to the State Government.

- 2.6 Each MLA shall recommend works for his constituency up to the annual entitlement during the financial year. They can start recommendation from commencement of the financial year to the concerned Deputy Commissioner so that they can start preliminary works like preparation of plan & estimates, verification of project site if necessary, allotment of land for the projects etc. without waiting for fund.
- 2.7 Deputy Commissioner may verify the feasibility of the projects/schemes suggested by the MLA. If he finds it not to be feasible he may request the MLA concerned to suggest alternative schemes as per guidelines.
- 2.8 The Deputy Commissioner will accord administrative approval and sanction of the eligible works as per the guidelines under established procedure laid down by the State Government for implementation of the scheme, within a period of 30 days. (A model format for this purpose is given at annexure-VI-A & VI-B)
- 2.9 The Deputy Commissioner may identify the executing/implementing agency through which a particular work(s) recommended by the MLA should be executed. The executing agency so identified by the Deputy Commissioner may be from Line Deptt. or DRDA depending on the nature of the scheme or PRI/reputed registered NGO/User Group/Construction Committee duly recommended by the MLA.
- 2.10 In case of Construction Committee such constituted members should not be less than 7 (seven) and not more than 11 (eleven) from local area of whose President may be from the User Group and the Member Secretary may be BDO/JE or any Government official upto Grade III level of the local area decided by Deputy Commissioner with a technical member may be a minimum JE from the local Development Block or from the Line Department.
- 2.11 Special attention should be given for infrastructure development of areas inhabited by Scheduled Caste (SC) and Scheduled Tribe (ST) population. The MLAs are to recommend works every year in proportion to the SC/ST population in his constituency. Deputy Commissioner should ensure this apportioning of fund for SC & ST is done without fail accordingly.

2.12 Works can also be considered in the areas affected by calamities like flood, cyclone, erosion, fire, earthquake, drought etc.

3. IMPLEMENTATION OF THE SCHEME

3.1 Each MLA shall recommend eligible works either individually or collectively on his/her letter head duly signed by himself/herself. A letter format from the MLA to the Deputy Commissioner is enclosed at Annexure-I. In no way recommendation by representative (s) of MLAs are admissible.

- 3.10 If financial involvement has already been made for a particular scheme recommended by earlier MLA, such scheme cannot be changed at the recommendation of sitting MLA.
- 3.11 Works should be sanctioned and executed if the MLA recommends the full estimated cost of the work but if the recommended amount is less than the required estimates and there is no other source from which deficit can be made of, then the works should be sanctioned against identifiable estimate as Phase-I. The shortfall in the estimated cost should be made up from MLAADS in subsequent year as Phase-II.
- 3.12The sanction of schemes shall normally be completed within 30 days from the date of receipt of recommended schemes subject to availability of funds with the District Authority.

4. Fund Release and Management:

4.1 MLAAD fund under the budget of Planning and Development Department will be allocated among the districts on the basis of number of constituencies in the manner indicated below :-

- (i) if a constituency falls in a single district, the amount relating to that constituency will be provided to the district concerned,
- (ii) in case a constituency falls in more than one district, the concerned MLA may choose one nodal district for releasing the amount.

4.2 The annual entitlement of fund will be released in 2 (two) equal instalments to the Deputy Commissioners of the district for implementation.

4.3 Release of fund shall be regulated according to utilization. Release of funds will be made as per demand from Deputy Commissioner on the basis of the actual progress achieved and execution of works of previous instalments. The following criteria will be followed at the time of release of fund :

- (i) the 1st instalment of MLAADS shall be released by June/July and the 2nd Instalment by November/ December every year.
- (ii) utilization certificates for the previous financial years as per format given in Annexure-IV(B) have to be furnished by the Deputy Commissioner of the district.

4.4 Deputy Commissioner will have to make requisition of MLAAD fund as per format at annexure –III.

4.5 The Deputy Commissioner may release up to 75% of estimated cost of the work as 1st instalment to the implementing/executing agency and another 25% in 2nd instalment subject to submission of Utilisation Certificate along with photograph of the scheme of 1st Instalment. The completion certificate is to be furnished by the implementing/executing agency together with photograph within one month of release of the 2nd instalment.

4.6 Deputy Commissioner will fix time limit to complete a particular scheme depending upon its nature and cost involvement, but limit should not exceed more than two years from the date of sanction.

4.7 Contingency expenditure has been renamed as Administrative Expenses. A share of 0.3% of the total allocated amount of a particular LAC at a time may be deducted as Administrative Expenses for a district and keep in a separate **savings account**(Annexure-VII).

4.8 The MLAADS Funds are Non-Lapsable and funds are expected to be utilised in the same financial year. However, if the instalment is released to the Deputy Commissioner in the fag end of the year, the same would be allowed to be utilised in subsequent financial years.

4.9 Sometimes funds of a large number of schemes are lying unutilised due to change of MLAs after General Election. If the Construction Committees/Executing Agencies fail to submit utilisation certificate even after repeated reminders, then in such cases, the Planning and Development Department may give direction to the Deputy Commissioners to close all such schemes and re-allot the available fund for new schemes as per recommendations of the Local MLA so that all pending MLAAD fund could be utilised for the purpose of the local needs.

However, if any Deputy Commissioner and local MLA are of the view that there are some schemes which are going satisfactorily and there will be inconvenience in closing the schemes the Deputy Commissioner may continue with such schemes and ensure that the schemes would be completed on or before the 31st March of the following year.

5. Accounting Procedure :

5.1 The Deputy Commissioner shall keep the funds in any Nationalized Bank. Savings Account will be opened for each LAC for the purpose separately.

5.2 A cash book and other books of Accounts shall be maintained as per established rules and procedures of the Government of Assam.

5.3 The Bank Account shall be operated jointly by the Deputy Commissioner and the Finance and Account Officer of the District. There should not be any over draft on these accounts.

5.4. The Deputy Commissioner will inform the MLA about the interest amount accrued from this fund time to time and the fund will be utilized for the same purpose of MLAADS.

5.5 Each executing agency has to open a bank account in a Nationalised Bank to operate the sanctioned amount under MLAADS.

5.6 On completion of a work, the implementing/executing agency shall quickly finalize the accounts for that work and shall furnish a work completion report and utilization certificate within 30 days to the Deputy Commissioner concerned. The Deputy Commissioner and the implementing/executing agency would arrange transfer of assets to the user agency(s) without any delay. The user agency should take it on its book records for normal operation and maintenance.

6. Monitoring of the Scheme.

6.1. Role of the Government of Assam :

- (i) The Planning & Development Department shall monitor the overall position of fund released, cost of works sanctioned, fund spent etc.
- (ii) The Department will also monitor the physical and financial progress of works including utilization of fund of the scheme on quarterly basis.
- (iii) The Planning & Development Department being the Nodal Department will hold review meeting with the district authority to review the implementation of the MLAAD scheme including audit objection etc.
- (iv) Physical monitoring will also be done by the Planning & Development Department for speedy implementation of the scheme.

6.2 .Role of the Deputy Commissioner :

- (i) The Deputy Commissioner would be responsible for overall co-ordination and supervision of works at the district level. He/she may inspect at least 10 percent of MLAAD works under implementation every year and may engage ADC/SPO and other officers, he/she considers to be fit enough for regular visit of the work site. At the time of inspection, concerned MLA should be involved to the extent possible.
- (ii) The Deputy Commissioner shall maintain the work register indicating the status of each work recommended by the MLAs. A separate asset register for creation of all assets with the scheme fund and subsequently transferring to the User Agencies shall also be maintained.
- (iii) The Deputy Commissioner will inspect all works executed by /for societies and the Trusts under MLAADS and ensure that terms and conditions are being complied with. In case of violation, action shall be taken by the Deputy Commissioner accordingly.
- (iv) The Deputy Commissioner shall review every month MLAADS works implementation with the concerned executing agencies.
- (v) The District Authority shall be responsible to settle Audit objections raised in the Audits.
- (vi) The Deputy Commissioner shall submit monthly progress report to the State Government for each LAC separately in the format available in Annexure-II & III on or before 10th of the every month.

6.3 Role of Implementing/Executing Agencies.

- (i) The officers of the implementing/executing agency shall regularly visit the work spots so as to ensure the satisfactory progress of works as per the prescribed procedure, specifications and the time schedule etc.
- (ii) The implementing/executing agencies shall furnish physical and financial progress of its works to the district authority and also shall furnish completion report as per Annexure-V along with utilization certificate within one month of completion of the works.

6.4 The implementing/executing agencies shall also refund the savings (balance amount) if any, to the district authority within one month of completion of works.

7. Maintenance Issue

7.1 Since the works under MLAAD require maintenance, work should be allotted only after having a contract with either certain government agency or user group clearly indicating who will be responsible for the maintenance and subsequent expenditures. This will bring in more accountability in the system as a whole. As per guidelines, funds under the scheme cannot be used in maintenance areas.

8. Other Conditions

8.1 With a view to ensure effective utilization of the fund, timely flow of benefits and uniform spread of programme, the following procedure shall be followed for sanction of fund and execution of schemes:-

(i) If no expenditure is incurred within 6 months from the date of sanction due to various reasons, the amount shall be withdrawn and diverted for some other scheme with due consent from MLA concerned.

(ii) Fresh fund cannot be sanctioned for a scheme if previous fund has not been fully utilized and utilization certificate is not submitted by any institution/agency.

8.2 As soon as a work under the scheme is completed, it should be put to public use. For greater public awareness/transparency, all works executed under MLAAD **a plaque (stone/metal) carrying the inscription 'MLA Area Development Scheme' indicating the name of executing agency, year of fund, cost involved and the date of commencement, completion and inauguration etc.** should be permanently erected.

8.3 The Deputy Commissioner may obtain photograph at different stage (before execution, during execution and after completion of the work) from the executing agency .

8.4 List of all completed and ongoing works with MLAAD funds should also be displayed in the District Authority Office/Circle Office/BDO office/Gaon Panchayat Office and posted in the website for information of the general public.

8.5 The District Authorities are responsible to provide any information on MLAADS to the public in the manner as required under the Right to Information Act, 2005.

9. Application of the Guidelines

9.1. These Guidelines will come into force from 2012-13. These Guidelines on MLAADS supersede the extant Guidelines and instructions issued earlier.

9.2 Clarification, if any, on the Guidelines on the MLAADS or interpretation of any provision of these Guidelines may be referred to the Planning & Development Department, Dispur and its decisions shall be the final.
