- (b) To focus on empowerment, growth, convergence and saturation through public works aggregating into forming Viksit Bharat National Rural Infrastructure Stack, with a thematic focus on water security through water-related works, core rural infrastructure, livelihood-related infrastructure and special works to mitigate extreme weather events.
- (c) To facilitate adequate farm-labour availability during peak agricultural seasons, and, in view of the wage-employment guarantee for the rural workforce.
- (d) To institutionalise convergence, saturation-driven planning and whole of government delivery through Viksit Gram Panchayat Plans, integrated with the PM Gati Shakti to address the varying needs of Gram Panchayats, powered by geospatial systems, digital public infrastructure, district and State planning mechanisms, with such plans aggregated at the Block, District, State and National levels.
- (e) To modernise governance, accountability and citizen engagement through a comprehensive digital ecosystem, including biometric authentication at various levels, global positioning system or mobile based work site monitoring, real time management information system dashboards, proactive public disclosures and the use of Artificial Intelligence for planning, audits and fraud risk mitigation.

CHAPTER III—GUARANTEES, TIME LIMITS AND CONDITIONS

4. Guarantee

- (a) State Government shall, in such rural area in the State as may be notified by the Central Government, provide to every household whose adult members volunteer to do unskilled manual work, not less than one hundred and twenty-five days of guaranteed employment in a financial year in accordance with the Scheme.
- (b) Every person who has done the work given to him under the Scheme shall be entitled to receive wages at the wage rate for each day of work.
- (c) The disbursement of daily wages shall be made on a weekly basis or in any case not later than a fortnight after the date on which such work was done.
- (d) If an applicant for employment under the Scheme is not provided such employment within fifteen days of receipt of his application seeking employment or from the date on which the employment has been sought in the case of an advance application, whichever is later, he shall be entitled to a daily unemployment allowance in accordance with the provision of this section.
- (e) In case the payment of wages is not made within fifteen days from the date of closure of the muster roll, the wage seekers shall be entitled to receive payment of compensation for the delay, at the rate of 0.05% of the unpaid wages per day of delay beyond the sixteenth day of closure of muster roll.

5. Conditions for demand

- (1) Every adult member of a registered household whose name appears in the Gramin Rozgar Guarantee Card, shall be entitled to apply for unskilled manual work under the Scheme; and every such application shall be compulsorily registered, and a receipt issued with the date, which shall be entered in the given digital platform.
- (2) The State shall proactively verify the requirements of the Vulnerable Groups and provide them with work.
- (3) Application for work may be oral or written and made to the Ward member or to the Gram Panchayat or to the Programme Officer or any person authorised by the State Government or through digital platforms, or through any other means authorized by the State Government.
- (4) Applications for work may be filed individually or for a group together.

CHAPTER IV—PLANNING FRAMEWORK

6. Viksit Gram Panchayat Plan (VGPP)

- (1) A future-ready, convergence based local development plan aligned with the vision of Viksit Bharat @2047, formulated by the Gram Panchayat through a participatory and evidence-based process, and serving as the basis for identification and prioritization of works under this Scheme.
- (2) There shall be a systematic and participatory planning exercise undertaken at each tier of the Panchayati Raj system in accordance with the specified methodology. The Viksit Gram Panchayat Plans shall be prepared by the Gram Panchayats using GIS-based tools, PM Gati Shakti layers and other digital public infrastructure, and placed before the Gram Sabha for approval. Works proposed to be undertaken by the Intermediate Panchayat, District Panchayat or other implementing agencies shall likewise be placed before the respective Panchayats along with the expected outputs and outcomes. The Viksit Gram Panchayat Plans shall be aggregated at the Block, District and State levels to ensure coherence with sectoral priorities, broader rural development strategies, and saturation-based planning for comprehensive coverage of eligible assets and outcomes across all Gram Panchayats. All works emerging from the Viksit Gram Panchayat Plans shall be consolidated into the Viksit Bharat—National Rural Infrastructure Stack.
- (3) Every Gram Panchayat shall prepare saturation-mode plans based on its classification into Category A, B, C, etc., determined based on development parameters, including proximity to urban areas, to address the varying needs of the Panchayats. All such works shall be drawn exclusively from the approved Viksit Gram Panchayat Plan, prepared using PM Gati Shakti, GIS-based tools and other digital public infrastructure.
- (4) Annual plans would be prepared on the basis of the normative allocation.
- (5) The works identified in the Viksit Gram Panchayat Plans shall be executed through various Central, State and local schemes in convergence. The schemes to be taken up for such convergence shall be notified by the Central Government.
- (6) While preparing Viksit Gram Panchayat Plans and annual labour demand, no work shall be proposed for execution during notified peak agricultural periods.

7. Framework for Convergence and Integrated Planning— A Unified Convergence Framework shall be established for coherent planning, execution and monitoring of all works undertaken in rural areas, and for this purpose—

- (1) All Central, State or local schemes, as may be notified by the Central Government for the purpose of convergence and saturation-based planning, shall be brought under a unified planning process anchored in the Viksit Gram Panchayat Plans.
- (2) All existing assets and proposed works, whether funded under this Scheme or through any other Central, State or local scheme, shall be mandatorily registered and tracked through the Viksit Bharat—

National Rural Infrastructure Stack using the designated digital portal, which shall maintain a comprehensive register of rural public works, prevent duplication, integrate departmental investments, and align all works with saturation outcomes.

(3) Single digital backbone for rural public works covering water security, core rural infrastructure, livelihood-related infrastructure, and special works to mitigate extreme weather events; and all planning shall follow a strict bottom-up process beginning with the preparation of the Viksit Gram Panchayat Plan, which shall be successively aggregated at the Block, District and State levels, and the aggregated State Plan shall be placed before the State Level Steering Committee for approval. Annual plans would be prepared on the basis of the normative allocation.

(4) Viksit Bharat National Rural Infrastructure Stack shall guide States, Districts and Panchayati Raj Institutions in identifying priority infrastructure gaps, standardizing work designs, and ensuring that public investments contribute measurably to saturation outcomes at the Gram Panchayat, Block and District levels.

(5) This institutional architecture shall ensure a single-plan, multi-funding approach, promote convergence across departments and schemes, and align all rural development efforts with the Viksit Bharat @2047 vision of creating productive, resilient and transformative rural assets.

CHAPTER XX—TRAINING AND CAPACITY BUILDING

59. Training and Capacity Building

1. The State Government shall prepare and implement a dedicated plan for capacity building and strengthening of Panchayati Raj Institutions for effective planning, execution, supervision and monitoring of the Scheme.
2. The capacity-building plan shall, inter alia, include activities relating to:
 - a. training of elected representatives and functionaries of Panchayati Raj Institutions on roles and responsibilities under the Scheme;
 - b. Information, Education and Communication (IEC) initiatives to enhance awareness regarding the provisions of the Scheme, transparency mechanisms and community participation;
 - c. digital literacy and orientation on the use of Management Information Systems, geo-tagging tools and other digital platforms;
 - d. strengthening institutional systems in Panchayati Raj Institutions for record keeping, financial management, grievance redressal, social audit and asset maintenance.
3. The plan shall be prepared annually, based on field requirements, and shall be integrated with the State Training and Capacity Building framework under the Scheme.
4. Panchayati Raj Institutions shall extend full cooperation in organising such capacity- building initiatives and shall ensure participation of elected representatives and functionaries.
5. Expenditure on activities undertaken under this provision shall be met from permissible administrative and capacity-building heads, as may be specified by the Central Government and the State Government.

CHAPTER XXI- CLOSING FORMULA

1. This Scheme shall be read harmoniously with the provisions of the Act. In the event of any inconsistency, the provisions of the Act shall prevail.
