FOREWORD

It gives me immense pleasure to know that our Assembly Secretariat is going to bring out a chronicle, in which the names of all Presiding Officers and Members of Assam Legislative Assembly, since its inception in the year 1937 to the present period is enlisted. It has another importance that the chronicle is going to be published to synchronise with the foundation stone laying ceremony of the New Assam Assembly Building. The chronicle will, no doubt be of immense help to the politicians of the new generation and research workers. It will also give new hopes and encouragements to the future politicians of our state. I congratulate all officers of our Assembly Secretariat, who took so much pains to complete this difficult task in a very limited time.

PREFACE

More than half a century ago, on Wednesday, April 7, 1937 the composit State of Assam Legislative Assembly came into being holdig first sitting in its own Assembly House on the hill top, at Shillong, the then Capital of Assam. People who are their own masters through their elected representatives occupy a pivotal role in the democracy. The representatives of people who elected to the Assam Legislative Assembly since then till to-day have devoted for the cause of welfare to shape and re-shape the fate of people of Assam through its debate and discussion on the floor of the Assembly but by a united efforts for its growth and development for the days coming ahead.

Meghalaya having been carved out of Assam as a separate State on and from January 20, 1972 elected representatives of Assembly demanded to run the administration of Assam from its Capital built on its own soil of the State. Considering the genuine demand the then Chief Minister of Assam and leader of the House, Shri Sarat Chandra Sinha announced on the floor of the Assembly in June, 1972 and shifted it to Dispur as the Temporary Capital of Assam. The sitting of the Assembly on Temporary Capital has been holding on and from March 16, 1973 in the existing House which was originally a Godown. Question of making permanent Capital of Assam has not only been raised by people of Assam, its policy-makers but was also placed before the national leaders. In the mean time, the Assam Assembly adopted resolution for construction of a permanent Capital at Dispur. The existing Assembly Building, in view of ever increasing trend of its Secretarial staff, Legislature Committees, Ministers' sitting accommodation during session of the Assembly, holding all India Legislature Seminars and Conferences, sitting accommodation of various Legislature Parties has become quite inadequate to-day to run the extremely urgent nature of administration deems fit of the day. It is therefore expedient to meet the incoming demands to erect a New Assembly House Complex availing almost all types of modern amenities and facilities including to house an upto date growing Legislature Library for study and research of elected members as well as University research scholars. Considering the growing demands the Assembly Building Construction Committee under the Chairmanship of Hon'ble Shri Jiba Kanta Gogoi, Speaker, Assam Legislative Assembly had recommended the proposed multi-storied Assembly House Complex in the existing vacant plot of land inside the precincts of the Assembly. Consequent upon them, Hon'ble Speaker had fixed January 14, 1992 to lay the foundation stone of the proposed Assam Legislative Assembly Building.

It is earnestly intended to bring out names of "Presiding Officers and Members of Assam Legislative Assembly (A Chronicle) 1937-1992" as available in the records of Assembly Secretariat on the auspicious occasion to high light them to the public. It is hoped all walks of people would be benefited by using this Chronicle.
