

**DEPARTMENTALLY RELATED STANDING
COMMITTEE ON DEVELOPMENT (B) DEPARTMENTS
(2026-27)**

**SIXTEENTH
ASSAM LEGISLATIVE ASSEMBLY**

PUBLIC HEALTH ENGINEERING DEPARTMENT

**REPORT ON THE DEMANDS FOR GRANT NO. 30
FOR THE YEAR 2026-27**

TWENTY EIGHTH REPORT

(Presented to the House on 22nd July, 2026)

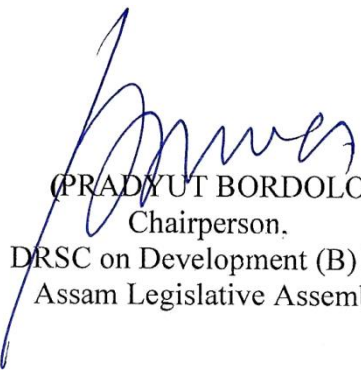

**ASSAM LEGISLATIVE ASSEMBLY SECRETARIAT
DISPUR, GUWAHATI-781006.**

INTRODUCTION

I, the Chairperson of the Departmentally Related Standing Committee on Development (B) Departments, Assam Legislative Assembly having been authorized by the Committee to present this TWENTY EIGHTH REPORT of the Committee on Demands for Grants (Grant No. 30) relating to the PUBLIC HEALTH ENGINEERING Department for the financial year, 2026-27.

1. In Pursuance of Rule 260 H (I) of the Rules of Procedure and conduct of Business in Assam Legislative Assembly, Hon'ble Speaker has been pleased to constitute the Departmentally Related Standing Committee on Development (B) Departments, on 10th July, 2026 for a period of one year.
2. The Committee scrutinized the various documents and relevant papers including the status report received from the Public Health Engineering Department and also took the personal evidence of the representatives of the Department on the said Demands for Grants in its meeting held on 16th July 2026.
3. The Committee considered the Draft Report and approved it on 16th July, 2026.
4. The Committee expressed its appreciation to the representatives of the Public Health Engineering Department for extending their co-operation to the Committee and the officers/officials of Assam Legislative Assembly Secretariat attached to the Departmentally Related Standing Committee on Development (B) Departments for their full co-operation and unstinted assistance.
5. The Committee also places on record its thanks to the representatives of Finance Department and also the Transformation and Development Department for assisting the Committee in its deliberation.

Dated Dispur 16th July, 2026

(PRADYUT BORDOLOI)
Chairperson,
DRSC on Development (B) Deptts.
Assam Legislative Assembly.

CHAPTER – I

REPORT

PUBLIC HEALTH ENGINEERING DEPARTMENT WATER SECTOR

The Assam Public Health Engineering Department (APHED) was created in 1956 as Public Health Engineering (PHE) Organization under the Directorate of Health Services to look after the implementation of Rural and Urban Water Supply throughout the State. This PHE Organization started functioning as a full fledged Department since 1981 and a separate Secretariat was created for APHED in the year 1989.

Presently, the APHED has been working as the nodal department of the Government of Assam to deal with the aspiration in the rural areas of Assam with regards to Drinking Water Supply and Sanitation Sector.

Aims & Objective

The main Objective of APHED is to improve health of the rural population by ensuring Drinking Water Security (Availability, Accessibility and Water Safety) and safe Sanitation status through improvement in the environmental hygiene in rural perspective. To achieve this objective, the department undertakes planning, execution, operation and maintenance of work related to water supply and sanitation in rural areas.

Activities of PHED

To achieve the Departmental aims and objectives, the APHED is presently implementing mainly two Flagship Programmes of Government of India, namely Jal Jeevan Mission and Swachh Bharat Mission (G) in rural areas of Assam.

In this connection, the Department is involved with necessary planning, execution, operation and maintenance of work etc. related to water supply and sanitation sector in rural areas. These activities can be broadly categorized as follows: -

- a. Rural water supply activities.
- b. Rural Sanitation activities.
- c. Quality control activities.
- d. Monitoring and Evaluation activities through MIS.

Rural water supply activities under Jal Jeevan Mission:

Schemes for providing drinking water supply through 100% Functional Household Tap Connections (FHTCs) to every rural households in villages / habitations are taken up under Jal Jeevan Mission (JJM), a flagship program of the Ministry of Jal Shakti, Government of India with cost sharing pattern involving community contribution (5%) and Govt. share jointly by the Central and State Government on 90:10 basis.

JJM aims to provide a minimum of 55 lpcd of water of prescribed quality as per BIS: 10500 Standards and also aims to provide safe drinking water to all rural government schools and Anganwadis, etc.

Key Achievements of Jal Jeevan Mission in FY 2035-26:

- Provided 59,10,549 Functional Household Tap Connections (FHTC), reaching a cumulative progress of 81.82.
- Handed over 19595 Schemes to the community.
- Introduced e-Bill, an online system, facilitating digital processing of bills for schemes in Assam, with 30,754 e-Bills approved, totalling Rs. 10,370 Cr. across 46 PHE Divisions so far as on date.
- Established Jal Doots (Water Ambassadors) through Jalshala workshops, with 1158 Jalshalas conducted 44,789 Jal Doots trained and 37,734 Activities completed by Jaldoots across Assam.
- Trained 20,628 Jal Mitras for the regular operation and maintenance of JJM schemes, engaging a total of 18,563 across the state.
- Partnered with ASRLM, involving 636 Cluster Level Federations as Implementation Support Agencies.
- The Sujal Swasthya programme, a joint programme under an MoU between JJM, Assam and NHM Assam utilised ASHA network to conduct more than 13.42 Lakh meetings towards emphasizing safe drinking water to various demographics have been completed.
- Instituted Jal Seva Awards in 11 categories on monthly basis to promote and ensure proper O&M of the respective PWSSs' in villages, with incentives for GPs, WUCs, AWC, Schools, FTK groups, Jaldoots, Jal Mitras, contractors, ISA/CLF, FHTC Holders (individual), and ASHAS.
- The Mission conceptualised Jal Baithak - a participatory, community-centred forum designed to strengthen local water governance. Jal Baithak is a common platform to collectively discuss responsibilities, identify problems, and co-create solutions related to drinking water schemes with lead by Section Officers Under PHED involving local stakeholders and line departments 4886 Such GP and ZP level meetings have taken place.
- Jal Aankalan is a national initiative under JJM that helps villages understand their water availability and usage. By scientifically assessing local water resources and future needs, it supports sustainable planning and ensures safe drinking water for every rural household. So far the programme has involved 349 villages under 59 Gaon Panchayats of 18 districts in Assam.
- Jal Arpan under the Jal Jeevan Mission (JM) is a community-led programme that marks the dedication of Functional Household Tap Connection (FHTC) projects to the people after successful completion. So far more than 101 Jal Arpans have been completed in Assam.

PUBLIC HEALTH ENGINEERING DEPARTMENT
SANITATION SECTOR:

Swachh Bharat Mission (Grameen), launched on 2nd October 2014 with the vision of making India Open Defecation Free. Through collective effort and people's participation, India achieved ODF status on 2nd October 2019, with Assam proudly being declared 100% Open Defecation Free on 5th March 2019.

The Mission has since entered its second phase, with a sharper focus on sustainability through ODF Plus-emphasizing Solid and Liquid Waste Management and long-term sanitation outcomes. Assam has achieved 100% ODF Plus village status, with over 90% villages attaining ODF Plus Model status.

Under SBM-G phase-II, over 6.5 lakh Individual Household Latrines have been constructed and sanctioned, along with 5497 Community Managed Sanitary Complexes. Waste management has been strengthened through 1937 Community Compost Pit, supported by modern collection vehicles, Plastic Waste Management Units, biogas plants under GOBAR-Dhan, and Pipe Composting Units in schools.

Assam has also made commendable progress in greywater management and faecal sludge management, linking rural areas with functional treatment systems. Initiatives such as the **Swachhata Green Leaf Rating** and the innovative **Green Worship** concept reflect our strong commitment to sustainability, responsible tourism, and environmentally conscious practices at religious places. Alongside our core achievements, Assam has also pioneered several innovative and inclusive initiatives under Swachh Bharat Mission-Grameen, Assam.

Alongside our core achievements, Assam has also pioneered several innovative initiatives that are planned for implementation under the upcoming phases of the **Swachh Bharat Mission-Grameen** in the state:

To improve sanitation for tea garden workers, mobile toilet facilities are being introduced in plucking areas. Under Phase I, 200 Tea Gardens are being equipped with four-seater trailer-mounted mobile toilets, while Phase II proposes coverage of an additional 450 Tea Gardens, ensuring dignity and hygiene for workers in remote plantation areas.

In institutional sanitation, SBM-G, in convergence with SamagraShikshaAbhiyan, aims to achieve 100% toilet coverage in schools, with a total of 1643 schools targeted. Over 1700 rural schools have been equipped with Pipe Composting Units to manage mid-day meal waste, while toilet facilities are also being ensured in 2,446 rural health centres in coordination with the National Health Mission.

Under Solid Waste Management, operation and maintenance of assets at the Gaon Panchayat and Block levels are being entrusted to SHGs, CLFs, and NGOs, fostering community ownership and livelihoods. Plastic waste processing is being strengthened through shredders and balers at 87 block-level units, with recycled plastic used in road construction and plastic bricks. A MoU with the Public Works Department supports plastic use in roads, while GPS-based monitoring of SWM vehicles enhances transparency and efficiency.

To address greywater management, over 4444 **End-of-Drainage Treatment** systems based on constructed wetlands and filtration methods are completed, ensuring safe discharge of treated water. Intensive IEC initiatives are fostering community ownership through **beautification of household toilets, community sanitation spaces, and Swachhata-themed wall art on flyovers and rural bridges.**

Innovative floating toilets are to be introduced in flood-prone areas to ensure uninterrupted sanitation during floods. **Women-friendly SHE Toilets** are being installed at ASRLM training centres to ensure dignity, safety, and hygiene for women. Urban-rural convergence for faecal sludge management is being strengthened through access to FSTPs, alongside plans for rural facilities.

Eco-friendly sanitation facilities are also being developed in Kaziranga and Manas National Parks. Finally, through the **NeerNirmalMitras** initiative, students are proposed to be empowered as WASH ambassadors, spreading the message of cleanliness and sustainability across Assam.

The initiatives proposed for implementation during 2026-27 are aimed at further enhancing sanitation coverage, improving waste management systems, promoting sustainable practices, and ensuring dignity, hygiene, and a better quality of life for the people of the State. With continued convergence and active public participation, SBM-G Assam shall continue its journey towards becoming a leading model in sustainable rural sanitation and cleanliness.

Grant No.30

PUBLIC HEALTH ENGINEERING DEPARTMENT

After presentation of the Budget Estimates to the House on 10th July, 2026, the Departmentally Related Standing Committee on Development (B) Departments, Assam Legislative Assembly has scrutinized the demand for Grant no. 30 for the financial year 2026-2027.

Budget Estimates under Grant No. 30 for the financial year 2026-2027 is as follows:

(Rupees in lakhs)				
	Revenue	Capital	Total	Remarks
			Budget estimate for 2026-27	Revised Budget Estimates (2025-2026)
Voted	83774.57	213739.51	297514.08	520025.78
Charged	659.23	0.00	659.23	959.23

Voted Budget provision of Rs. 297514.08 lakhs made for the financial year 2025-26 where Rs. 83774.57 lakhs and Rs. 213739.51 lakhs have been earmarked under the Revenue and Capital Head respectively. It seems that for the financial year 2026-27, an amount of Rs. 222511.7 lakhs has been decreased in voted amount than that of the previous year's Revised Budget Estimates (2025-2026).

However, in Charged Budget, Rs. 659.23 in Revenue Head and Rs. 0.00 in Capital Head with a total of Rs. 659.23 have been allotted in the Budget Provision for the Financial Year 2026-27. It is observed that for the financial year 2026-2027, the charged budget has been decreased by Rs. 300 Lakhs amount than the previous years revised Budget estimates 2025-2026.

**OBSERVATION AND RECOMMENDATIONS
PUBLIC HEALTH ENGINEERING DEPARTMENT
GRANT NO. 30**

The Committee discussed the budgetary provision made in the budget documents for the financial year 2026-2027. At the outside, the Committee considered the Action Taken Report submitted by the concerned Department. After thorough discussion on the budget provision made by the Public Engineering Departments relating to the Grant No. 30, the Committee recommends the following:

1. The Committee observed that some of the JJM schemes implemented in the various Districts are lying abandoned.
So, the Committee recommends the Department to look into it and implement the schemes in continuous operation.
2. The Committee recommended for purchasing of more tankers for every districts of Assam to provide water supply in the flood affected area.
3. The Committee reiterates the point No.1 of the earlier observations and recommendation mentioned in its 27th Report since some of the schemes taken up under both Urban Major and Rural Major works are still ongoing and not fully implemented. The Committee directed the Department to come up with an updated status along with PPT presentation in its next sitting.
4. The Committee reiterates the point No.3 of the earlier observations and recommendation mentioned in its 27th Report and recommends to submit a detailed report on the 17 nos. of non-functional and 2 nos. of ongoing piped water scheme in West Guwahati area.
5. The Committee reiterates the point No.4 of the earlier observations and recommendation mentioned in its 27th Report and recommends to take necessary steps such as by sensitizing the school students of higher classes for wide and extensive publicity on the schemes of drinking water supply.

The Committee directed the Department to come up with an updated action taken report of the above mentioned points along with PPT presentation in its next sitting.

The Committee recommends that the budget allocation provided under Grant No. 30 for the Financial Year 2026-27 for Public Health Engineering Department be approved by the August House.

The Action Taken Report on the recommendations made in the Report may be submitted to the Committee within 90 (Ninety) days from the date of presentation (22-07-2026) to the House.

**ACTION TAKEN REPORT OF THE OBSERVATIONS AND
RECOMMENDATIONS ON 27TH REPORT**

**PUBLIC HEALTH ENGINEERING DEPARTMENT
GRANT NO.30**

Point No.	Observations and Recommendations	ACTION TAKEN
1.	After discussion on the recommendation no. 2 of 26th Report (2024-2025), the Committee observes that the reply submitted by the department is inadequate. Therefore, the Committee recommends the department to furnish an elaborated status report and list of the schemes on 13 (Major Works) and 01 (Normal) Head of Account for the financial year 2024-25 and to complete the schemes at the earliest	Two types of schemes have been considered under 13-(Major works) and 01- (Normal) Head of Account for the financial year 2024-25. -Urban Major Works -Rural Major Works The elaborate Status Report showing the schemes taken up under both Urban Major and Rural Major Works.
2.	The Committee observes that in many parts of Assam, water pressure is seen low at the ending point of water taps installed under Jal Jeevan Mission Scheme. Therefore, the Committee recommends the department to survey in this regard and to take necessary steps for redressing the problem.	As per the recommendations of the Committee, the Department has created a reporting module in JJM Brain Portal, whereby Sectional Officers can mark schemes with low water pressure issues at the terminal ends. Necessary measures as required shall be undertaken to redress such low water pressure issues. Currently, the tail end pressure is being maintained by adjusting the valves wherever feasible. Installation of boosting pumps will be opted based on feasibility.

3.	The Committee recommends the department to survey relating to water supply disruption in several areas specifically at West Guwahati area including Rani and to submit a detailed report with reasons for closure of water supply to that area.	A total of 48 nos. of piped water supply schemes is in West Guwahati area, which also includes Rani area. Out of these schemes, 28 nos are fully functional, 1 nos. is partially functional, 17 nos. are non-functional and 2 nos. are ongoing.
4.	The Committee recommends the department to take necessary steps for wide and extensive publicity on the Schemes of drinking water supply and role of User Committee throughout the State.	The recommendation of the Committee is noted with due importance. The Department, through PHED Assam under the JalJeevan Mission, has been undertaking wide and extensive publicity on drinking water supply schemes and on the roles and responsibilities of Water Users' Committee across the State through the institutionalized platform of "JalBaithak" a quarterly community-level meeting convened at the Gram Panchayat level to disseminate information on scheme functionality, tariff collection, O&M protocols, and the collective responsibilities of user committees, while also serving as a forum for grievance redressal and community feedback. As on date, a total of 4,886 JalBaithaks has been conducted across the districts of Assam, reflecting sustained and structured community engagement and awareness generation on drinking water supply schemes and the functioning of Users' Committees. The Department shall continue to strengthen this

		mechanism, as Phase III of Jal Baithak has been initiated. There is also a new institutional process named "Jal Arpan" under JJM 2.0 to formally hand over completed schemes to the community through Gram panchayat and Village Water & Sanitation Committee. It is intended to ensure community ownership, accountability and sustainable O&M of the assets. 104 nos, of Jal Arpan has already been completed in the state and 2000 nos. are in the pipeline.
5.	The Committee recommends that the Department should include uncovered population/areas of various district with mini schemes under Jal Jeevan Mission or other schemes of the Department.	As per the JJM 2.0 Operational Guidelines, new water supply schemes are admissible only for uncovered PM-JANMAN and DA-JGUA habitations, subject to due justification, recommendation of the designated Committee, and completion by March 2028. This also includes dispersed habitations or settlements having fewer than 20 rural households where provision of piped water supply is not techno-commercially or geographically feasible, for which safe drinking water is to be ensured through suitable alternate technological interventions. Further, as of now, no specific guidelines have been issued under JJM 2.0 for taking up proposals relating to general left-out habitations other than those covered under PM-JANMAN and DA-JGUA.
6.	The Committee recommends that as JJM Schemes were implemented by the Department on DPR basis, the department	As per the recommendation of the committee, proper O&M estimate has been prepared (Annexure- D) based on the type of PWSS.

	do not have any budget for repairing of schemes, once the completed schemes are handed over. Therefore, the Committee recommends the department to make adequate provision of Budget to repair and maintenance of Schemes.	However, the O&M expenditure needs to be undertaken by P&RD through 15th Finance Commission Funds as the PWSS are handed-over to P&RD post completion (as per notification No. PDA.193/2021/7 DTD 09/02/2022 and O&M SOP No.E-742017/1/1425840/2026 did 06-02-2026).
